

March 3rd, 2016

Session title : TBD

	Masanori Kasahara Dean, Hokkaido University Graduate School of Medicine, Japan	10:00–10:10	<i>Opening Remarks</i>
	Hiroki Shirato Professor and Chair, Department of Radiation Medicine Hokkaido University Graduate School of Medicine Director of GI-CoRE, QMSE Global Station, Japan	10:10–10:30	<i>Overview</i>
Invited Speakers (at present)	Kazuhiko Ogawa Professor, Chairman Department of Radiation Oncology Graduate School of Medicine Osaka University, Japan	10:30–11:20 50 min	<i>Requested lecture relating to Cancer Biology & Radiotherapy Length of the lecture 40 min presentation + 10 min discussion</i>
	Erinn Rankin Assistant Professor Obstetrics and Gynecology (Oncology) and Radiation Oncology (Radiation Biology) School of Medicine, Stanford University, USA	11:20–12:10 50 min	<i>Requested lecture relating to Cancer Biology, & Radiotherapy Length of the lecture 40 min presentation + 10 min discussion</i>
		12:10–13:30	Lunch
	Jin-Min Nam Assistant Professor Global Station for Quantum Medical Science and Engineering GI-CoRE, Hokkaido University, Japan	13:30–14:00 30 min	<i>Requested lecture relating to Cancer Biology & Radiotherapy Length of the lecture 25 min presentation + 5 min discussion</i>
	Amato J. Giaccia Professor Radiation Oncology (Radiation and Cancer Biology), Obstetrics and Gynecology, and Surgery (Plastic & Reconstructive Surgery) School of Medicine, Stanford University, USA	14:00–14:50 50 min	<i>Requested lecture relating to Cancer Biology, Radiotherapy & Immunolo Length of the lecture 40 min presentation + 10 min discussion</i>
		14:50–15:10	Coffee Break
	Tsukasa Seya Professor Department of Microbiology and Immunology Hokkaido University Graduate School of Medicine	15:10–16:00 50 min	<i>Requested lecture relating to Cancer Immunology Length of the lecture 40 min presentation + 10 min discussion</i>
		16:00–17:00	<i>Poster Session</i>
		18:00–	Reception (Enrei-so)

March 4th, 2016

Session title : TBD

Invited Speakers (at present)	Daniel T. Chang Associate Professor Radiation Oncology (Radiation Therapy) Stanford University Medical Center, USA	10:00–10:50 50 min	<i>Requested lecture relating to</i> Radiotherapy/SABR/liver <i>Length of the lecture</i> 40 min presentation + 10 min discussion
	Billy W Loo, Jr. Associate Professor Radiation Oncology (Radiation Therapy) Stanford University Medical Center, USA	10:50–11:40 50 min	<i>Requested lecture relating to</i> Radiotherapy/SABR/lung <i>Length of the lecture</i> 40 min presentation + 10 min discussion
	Rikiya Onimaru Associate Professor Radiation Oncology (Radiation Therapy) Hokkaido University Graduate School of Medicine, Japan	11:40–12:10 30 min	<i>Requested lecture relating to</i> Radiotherapy and IVR <i>Length of the lecture</i> 25 min presentation + 5 min discussion
		12:10–13:30	Lunch
	Shinichi Shimizu Associate Professor Radiation Oncology (Proton Beam Therapy) GI-CoRE & Graduate School of Medicine Hokkaido University, Japan	13:30–14:00 30 min	<i>Requested lecture relating to</i> Radiotherapy/Particle Beam Therapy <i>Length of the lecture</i> 25 min presentation + 5 min discussion
	Nishita Kothary Associate Professor Interventional Radiology Stanford University Medical Center, USA	14:00–14:50 50 min	<i>Requested lecture relating to</i> IVR/marker implantation/Radiotherapy <i>Length of the lecture</i> 40 min presentation + 10 min discussion
		14:50–15:10	Coffee Break
	Theodore L. DeWeese Sidney Kimmel Professor, Chair Department of Radiation Oncology and Molecular Radiation Sciences Professor of Radiation Oncology, Urology, and Oncology Johns Hopkins University School of Medicine, USA	15:10–16:10 60 min	<i>Type of presentation</i> Special lecture <i>Requested lecture relating to</i> Radiotherapy/Urology/Molecular Biology <i>Length of the lecture</i> 50 min presentation + 10 min discussion
	Hiroki Shirato Professor and Chair, Department of Radiation Medicine Hokkaido University Graduate School of Medicine Director of GI-CoRE, QMSE Global Station, Japan	16:10–16:30	<i>Discussion & Summary</i>
	Kazunori Yasuda Vice-President, Hokkaido University, Japan	16:30–16:40	<i>Closing Remarks</i>
