

[Invited Lecture]

Invited Lecture 2 Jun-17 (Sat.) 14:30-15:30 Room 10 (Conference Center 3F 315)

Chair : Masaomi Nangaku (The University of Tokyo Hospital, Japan)

[IL-2] How to spread renal replacement therapy in the developing world

University of Sydney, Sydney, Australia

○ David Harris

Invited Lecture 3 Jun-17 (Sat.) 15:50-16:50 Room 10 (Conference Center 3F 315)

Chair : Shunya Uchida (Teikyo University, Japan)

[IL-3] Role of Patient Centered Care in Dialysis Modality Selection

Yale University, New Haven, Connecticut, USA

○ Fredric O. Finkelstein

[Symposium]

Symposium 15 Jun-18 (Sun.) 10:20-12:20 Room 7 (Conference Center 5F 502)

PDOPPS Symposium

Chairs : Hideki Kawanishi (Tsuchiya General Hospital, Japan)

Bruce M. Robinson (Arbor Research Collaborative for Health, and the University of Michigan, Ann Arbor, MI, USA)

[SY-15-1] The Update on Worldwide PDOPPS

Division of Nephrology St. Michael's Hospital/University of Toronto, Canada

○ Jeffrey Perl MD SM FRCP (C)

[SY-15-2] PDOPPS: Clinical application of PD therapy working group

Yabuki Hospital, Division of Nephrology and Dialysis Center, Japan

○ Minoru Ito

Oita University Hospital, Blood Purification Center, Japan

Tadashi Tomo

[SY-15-3] PDOPPS: Dialysis prescription and fluid management study workgroup

Tsuchiya General Hospital, Japan

○ Hideki Kawanishi

[SY-15-4] PDOPPS: Infection prevention and management

Aichi Medical University, Division of Nephrology and Rheumatology, Japan

○ Yasuhiko Ito

[SY-15-5] PD catheter access and function

Blood Purification Unit, University of Yamanashi, Japan

○ Mizuya Fukasawa

[SY-15-6] Variability in Peritoneal Dialysis Patients' Training across the World

Tokyo Saiseikai Central Hospital, Japan

○ Munekazu Ryuzaki

[SY-15-7] Patient Support in The Peritoneal Dialysis Outcomes and Practice Patterns Study (PDOPPS)

Blood Purification Unit, University of Yamanashi, Japan

○ Mizuya Fukasawa

[Committee Session]

Committee Session 1 Jun-16 (Fri.) 8:20-10:50 Room 7 (Conference Center 5F 502)

Epidemiological significance of gender and aging on chronic dialysis

Chairs : Takayuki Hamano (Osaka University, Japan)

Mariko Miyazaki (Tohoku University, Japan)

[GI-01-1] The Effect of Gender and Age on Hip Fracture Risk in Hemodialysis Patients.

Medical and Research Center for Nephrology and Transplantation, Japan

○ Naohiko Fujii

The Committee of Renal Data Registry, JSOT

Takayuki Hamano

[GI-01-2] The management distinction of anemia in CKD between genders and ages

The Jikei University School of Medicine, Japan

○ Yukio Maruyama

[GI-01-3] The management distinction of serum uric acid level in dialysis patients between genders and ages

The Jikei University School of Medicine, Japan

○ Naoki Sugano

【GI-01-4】 Meaning of age and gender by dialysis efficiency in hemodialysis patients in Japan

Masuko Memorial Hospital, Department of Nephrology, Japan
Tokyo Kyosai Hospital, Japan
Simoochiai clinic, Japan
Niigata University Graduate School of Medicine and Dental Sciences, Japan

○ Kaoru Yasuda
Eiichirou Kanda
Kan Kikuchi
Minako Wakasugi

【GI-01-5】 Epidemiological significance of gender and aging on chronic dialysis

University of Michigan, Ann Arbor, MI, USA

○ Rajiv Saran, Jennifer Bragg-Gresham

【GI-01-6】 Epidemiological significance of gender and aging on chronic dialysis

ANZDATA Registry, SA Health and Medical Research Institute, Adelaide, Australia

○ Stephen McDonald

Committee Session 3 Jun-16 (Fri.) 13:50-15:50 Room 20 (Annex Hall F204)

Future challenges in renal registry

Chairs : Ikuto Masakane (Honcho Yabuki Clinic, Japan)

Stephen McDonald (ANZDATA Registry, SA Health and Medical Research Institute, Adelaide, Australia)

【GI-03-1】 Future challenges of JSRT

Hiroshima International University, Committee of Renal Data Registry (CRDR), JSRT, Japan

○ Satoshi Ogata

【GI-03-2】 Future Challenges for the United States Renal Data System (USRDS)

University of Michigan, Ann Arbor, MI, USA

○ Rajiv Saran

【GI-03-3】 Future challenge for renal registries – the perspective from ANZDATA –

ANZDATA Registry, SA Health and Medical Research Institute, Adelaide, Australia

○ Stephen McDonald

[The Committee of International Communication for Academic Research (CICAR)]

Symposium 1 Jun-16 (Fri.) 10:20-12:20 Room 10 (Conference Center 3F 315)

CKD-MBD in Asian Countries and Regions

Chairs : Masafumi Fukagawa (Tokai University, Japan)

Yoshitaka Isaka (Osaka University, Japan)

【GI-16-1-1】 Clinical practice pattern and guideline for CKD-MBD in Japan

Fukuoka Renal Clinic, Fukuoka, Japan
Division of Nephrology, Endocrinology and Metabolism, Tokai University School of Medicine, Isehara, Japan

○ Masatomo Taniguchi, Hideki Hirakata
Masafumi Fukagawa

【GI-16-1-2】 Chronic kidney disease and CKD-MBD in China

Peking University People's Hospital, Beijing, China

○ Zuo Li

【GI-16-1-3】 CKD-MBD in Korea

Korea University Guro Hospital, Seoul, Korea

○ Young-joo Kwon

【GI-16-1-4】 CKD-MBD in Asian Countries and Regions

Serdang Hospital, Kuala Lumpur, Malaysia

○ Bak-Leong GOH

【GI-16-1-5】 Chronic Kidney Disease – Mineral Bone Disease (CKD-MBD) Status and Management in Hong Kong –

University of Hong Kong, Queen Mary Hospital, Hong Kong

○ Angela Yee Moon Wang

【GI-16-1-6】 Current situation in dialysis and CKD-MBD in Taiwan

Cardinal-Tien Hospital, College of Medicine, Fu-Jen Catholic University, New Taipei City, Taiwan

○ Kuo-Cheng Lu

Free Communication 1 Jun-16 (Fri.) 13:50-14:50 Room 10 (Conference Center 3F 315)

Chairs : Toru Hyodo (Eijin Dialysis Clinic, Japan)

Masanori Abe (Nihon University School of Medicine, Japan)

【GI-16-2-1】 Study of Radiocontrast-Induced Acute Kidney Injury and Relevant Risk Factors after Coronary Interventions

Nguyen Tri Phuong University Hospital, Ho Chi Minh City, Viet Nam

○ Phạm Văn Bùì, Nguyễn Quang Dũng, Huynh Thi Nguyen Nghia

【GI-16-2-2】 The Efficacy of Continuous Renal Replacement Therapy for Metformin-Associated Lactic Acidosis with Acute Kidney Injury

Division of Nephrology, Department of Internal Medicine, Keimyung University Dongsan Medical Center, Daegu, Korea

○ Hayeon Park, Kyubok Jin, Sang Mok Yeo, Seong Sik Kang, Woo Yeong Park, Seungyeup Han, Sung Bae Park

【GI-16-2-3】 Study of Bone Density in Non-Dialysis Chronic Kidney Disease Patients

Nguyen Tri Phuong University Hospital, Ho Chi Minh City, Viet Nam

○ Huynh Thi Nguyen Nghia, Nguyễn Anh Minh, Phạm Văn Bùì

【GI-16-2-4】 Survival Rates and Causes of Death in Vietnamese Chronic Hemodialysis Patients

Department of Nephrology and Dialysis, Thong Nhat Hospital, Ho Chi Minh City, Viet Nam

○ Nguyen Bach

Department of Nephrology and Dialysis, Hayama Heart Center, Japan

Fumiko Fukucuchi

【GI-16-2-5】 Hemodialysis Tourism in Cambodia

Cambodia-Japan Blood Purification Center, Sen Sok International University Hospital (SSIUH), Cambodia
NGO Ubiquitous Blood Purification International, Yokohama, Japan

○ Chan Sovandy, Sovannbophea Yim, Sabo Ojano
Shunichiro Urabe, Haruki Wakai, Fumitaka Nakajima, Toru Hyodo, Hideki Kawanishi

Free Communication 2 Jun-16 (Fri.) 14:50-15:50 Room 10 (Conference Center 3F 315)

Chairs : Yusuke Tsukamoto (Itabashi Chuo Medical Center, Japan)

Ken Tsuchiya (Tokyo Women's Medical University, Japan)

【GI-16-3-1】 Fixed Dose of Long-acting Erythropoietic Stimulating Agents at Higher Frequency Improves Nutrition, Reduces Inflammation and Corrects Anemia in Patients on Hemodialysis

School of Medicine, National Yang-Ming University, Taiwan/
Division of Nephrology, Department of Medicine, Cheng-Hsin General Hospital, Taipei, Taiwan

○ Shang-Feng Yang

School of Medicine, National Yang-Ming University, Taiwan/
Division of Nephrology, Department of Medicine, Taipei City Hospital, Zhong-Xing Branch, Taipei, Taiwan

Wen-Sheng Liu

School of Medicine, National Yang-Ming University, Taiwan/
Division of Nephrology, Department of Medicine, Taipei Veterans General Hospital, Taipei, Taiwan

Chih-Ching Lin

【GI-16-3-2】 Real-world treatment pattern of Renal Anemia in Hemodialysis patients – A Multicenter cohort study using DialysisNet (RRAHD STUDY) –

Dongguk University College of Medicine, Korea
Department of Internal Medicine, Kangwon National University Hospital, Korea

○ Kyung Don Yoo, Hyo Jin Kim, Ji In Park

Seoul Paik Hospital, Inje University, Korea

Hoseok Koo

Seoul National University Biomedical Informatics (SNUBI),
Division of Biomedical Informatics, Seoul National University College of Medicine, Korea

Hee-Joon Chung, Sung Ho Kim, Taehoon Chang, Hye Hyeon Kim, Kye Hwa Lee

Seoul National University Biomedical Informatics (SNUBI),
Division of Biomedical Informatics, Seoul National University College of Medicine, Korea/Systems Biomedical Informatics Research Center, Seoul National University, Korea

Ju Han Kim

- [GI-16-3-3] N-terminal pro-B-type natriuretic peptide and proadrenomedullin reflect volume status in dialysis patients**
 Division of Nephrology, Department of Internal Medicine, Keimyung University Dongsan Medical Center, Daegu, Korea
 ○ Kyubok Jin, Hayeun Park, Sang Mok Yeo, Seong Sik Kang, Woo Yeong Park, Seungyeup Han, Sung Bae Park
- [GI-16-3-4] Renal Doppler in Predicting Time to Dialysis**
 Yashoda Hospitals, Rajbhavan Road, Hyderabad, India
 ○ Sai Ram Keithi-Reddy, Chhaminder Singh, Dhanalaxmi V, Anusha Patrick
- [GI-16-3-5] Nephroscope-assisted catheter insertion for pelvic drainage during removal of dialysis catheter decreases the risk of intra-abdominal complications in refractory peritoneal dialysis-related peritonitis**
 Division of Urology, Department of Surgery, Chi Mei Medical Center, Tainan, Taiwan
 Division of Nephrology, Department of Internal Medication, Chi Mei Medical Center, Tainan, Taiwan
 ○ Alex Chien-Hwa Liao, Kun-Hung Shen
 Jyh-Chang Hwang, Hsien-Yi Wang, Wei-Chin Kan
- [GI-16-3-6] Far infrared Therapy Improves Ankle Brachial Index in Hemodialysis Patients with Peripheral Artery Disease**
 School of Medicine, National Yang-Ming University, Taiwan/
 Division of Nephrology, Department of Internal Medicine, National Yang-Ming University Hospital, Yi-Lan, Taiwan
 School of Medicine, National Yang-Ming University, Taiwan/
 Division of Nephrology, Department of Medicine, Taipei Veterans General Hospital, Taipei, Taiwan
 ○ Chun-Fan Chen
 Chih-Ching Lin

Symposium 2 Jun-16 (Fri.) 16:00-18:30 Room 10 (Conference Center 3F 315)

The Dialysis History and Status in 2017 of Asian Developing Countries: How is your association for dialysis therapy?

Chairs : Toru Hyodo (Eijin Dialysis Clinic, Japan)

Munekazu Ryuzaki (Tokyo Saiseikai Central Hospital, Japan)

- [GI-16-4-1] The Dialysis History and Status in 2017 of Asian Developing Countries (the dialysis therapy in Cambodia)**
 College of CHEA Sim Hemodialysis Center and Department of General Medicine A, Cambodia
 CHEA Sim Hemodialysis Center and College of Department of General Medicine A, Calmette Hospital; College of Internal Medicine, University of Health and Science, Phnom Penh, Cambodia; President of Cambodia Association of Nephrology, Cambodia
 ○ HY Chanseila
 LIM Vadhana
- [GI-16-4-2] Universal health coverage for Dialysis in India – First steps towards change –**
 The George Institute for Global Health, India/University of Oxford, UK
 ○ Vivekanand Jha
- [GI-16-4-3] Dialysis Therapy in Myanmar**
 Department of Renal Medicine, University of Medicine (I), Yangon, Myanmar/Snake Bite Control Project, WHO Myanmar, Myanmar/Current President, Myanmar Nephro-Urology Society, Myanmar
 ○ Khin Thida Thwin
- [GI-16-4-4] History and Status of Dialysis in 2017 – Focus on the Philippines –**
 Philippine Society of Nephrology, Metro Manila, Philippines
 ○ Coralie Therese Dimacali
- [GI-16-4-5] The Dialysis History and Status in 2017 – An Experience from Thailand –**
 Division of Nephrology, Department of Medicine, Faculty of Medicine, King Chulalongkorn Memorial Hospital Chulalongkorn University, Bangkok, Thailand
 ○ Kriang Tungsanga, Kearkiat Praditpornsilpa
- [GI-16-4-6] Dialysis Status in Vietnam**
 Pham Ngoc Thach University of Medicine, University Nguyen Tri Phuong Hospital, Ho Chi Minh City, Viet Nam
 ○ Phạm Văn Bùì, Huynh Thi Nguyen Nghia

[GI-16-4-7] Support activities for dialysis therapy in Southeast Asia by Japanese clinical engineers

Kitasato University School of Allied Health Sciences, Japan/
Japanese Society for Technology of Blood Purification, Japan/
NGO Ubiquitous Blood Purification International, Japan
Japanese Society for Technology of Blood Purification, Japan/
NGO Ubiquitous Blood Purification International, Japan

○ Kenichi Kokubo, Shunichiro Urabe,
Kozue Kobayashi

Tomotaka Naramura, Moe Kojima,
Emi Kimura, Takayuki Abe,
Ayumi Takizawa, Teruhiko Miyamoto,
Hiroko Yamamoto
Toru Hyodo, Hideki Kawanishi

NGO Ubiquitous Blood Purification International, Japan

[GI-16-4-8] What we can do for dialysis in Asian countries

Department of Chemical Science and Technology, Hosei
University, Japan

○ Akihiro Yamashita

Invited Lecture 1 Jun-17 (Sat.) 10:30-11:30 Room 10 (Conference Center 3F 315)

Chair : Takashi Wada (Kanazawa University, Japan)

[GI-16-5] Treating diabetic nephropathy patients

Kaohsiung Medical University Hospital, Kaohsiung, Taiwan

○ Jer-Ming Chang, Hung-Chun Chen

Invited Lecture 2 Jun-17 (Sat.) 17:10-18:10 Room 10 (Conference Center 3F 315)

Chair : Nobuhito Hirawa (Yokohama City University Medical Center, Japan)

[GI-16-6] Long-term effects of atorvastatin in patients with type 2 diabetes mellitus on hemodialysis

Department of Internal Medicine I, Division of Nephrology,
University of Würzburg, Germany
Medical Clinic V, Medical Faculty Mannheim, University of
Heidelberg, Germany
Schwabing General Hospital, Department of Medicine IV,
München, Germany

○ Christoph Wanner, Vera Krane
Winfried März
Johannes Mann

[Sponsored Symposium]

Sponsored Symposium 2 Jun-17 (Sat.) 15:30-18:00 Room 1 (National Convention Hall)

Co-sponsor : Torii Pharmaceutical Co.,Ltd/Japan Tobacco Inc.

New concept in dialysis treatment

Chairs : Hideki Hirakata (Fukuoka Renal Clinic, Japan)

Masafumi Fukagawa (Tokai University, Japan)

Tadao Akizawa (Showa University, Japan)

[Opening Remarks]

The Jikei University School of Medicine, Japan

○ Keitaro Yokoyama

[KS-02-1] The indispensable role of iron in the era of HIF stabilizer

Department of Comprehensive Kidney Disease (CKDR), Osaka
University, Japan

○ Takayuki Hamano

[KS-02-2] Next generation of treatment of renal anemia ~optimization of iron utilization and absorption~

Division of Nephrology and Endocrinology, Department of
Hemodialysis and Apheresis, The University of Tokyo Hospital,
Japan

○ Masaomi Nangaku

[KS-02-3] Beyond the cardiorenal anaemia syndrome:recognizing the role of iron deficiency

King's College Hospital, London, UK

○ Iain Macdougall

[Closing Remarks]

Department of Medicine, Division Nephrology, Showa University
School of Medicine, Japan

○ Tadao Akizawa

Sponsored Symposium 6 Jun-18 (Sun.) 8:20-10:20 Room 7 (Conference Center 5F 502)

Co-sponsor : Kyowa Hakko Kirin Co., Ltd.

DOPPS Symposium

Chairs : Masafumi Fukagawa (Tokai University, Japan)

Kosaku Nitta (Tokyo Women's Medical University Hospital, Japan)

Summary of DOPPS

Department of Metabolism, Endocrinology and Molecular
Medicine/Department of Nephrology, Osaka City University
Graduate School of Medicine, Japan

○ Masaaki Inaba

【KS-06-1】 Era of Database Research

Human Health Sciences, Graduate School of Medicine, Kyoto
University, Japan

○ Shingo Fukuma

【KS-06-2】 Update on Anemia Management: Japan and Worldwide DOPPS

Arbor Research Collaborative for Health, and the University of
Michigan, Ann Arbor, MI, USA

○ Bruce M. Robinson

【KS-06-3】 Update on Mineral and Bone Disorder Management: Japan and Worldwide DOPPS

Arbor Research Collaborative for Health, Ann Arbor, MI, USA

○ Ronald L. Pisoni

【KS-06-4】 Newest Findings on Optimal Hemodialysis Practice: Japan and Worldwide DOPPS

Arbor Research Collaborative for Health, and the University of
Michigan, Ann Arbor, MI, USA

○ Bruce M. Robinson

【KS-06-5】 Actual work and data utilization in DOPPS participation facilities.

Koyo Medical Clinic, Japan

○ Ikuo Aoike, Kazunari Fukushima,
Mieko Nakamura

【KS-06-6】 Contribution of DOPPS to dialysis therapy

Division of Nephrology and endocrinology, The University of
Tokyo Hospital, Japan

○ Masaomi Nangaku

Brief Summary

Department of Medicine, Division Nephrology, Showa University
School of Medicine, Japan

○ Tadao Akizawa

[Luncheon Seminar]

Luncheon Seminar 3 Jun-16 (Fri.) 12:40-13:40 Room 4 (Conference Center 3F 303+304)

Co-sponsor : Nippon Boehringer Ingelheim Co., Ltd. and Eli Lilly Japan K.K.

Chair : Yoshitaka Isaka (Osaka University, Japan)

【LS-03】 New approach on treatment of Type 2 Diabetes Mellitus

~consideration and possible mechanism of CV and Renal Risk Reduction through Empagliflozin~

University Hospital of Würzburg, Germany

○ Christoph Wanner

Luncheon Seminar 25 Jun-17 (Sat.) 12:40-13:40 Room 5 (Conference Center 5F 503)

Co-sponsor : JMS Co.Ltd.

* Interpreting: Chinese-Japanese

Dialysis therapy from the past to the present to the future

~Collaboration of China and Japan for developments in dialysis therapy~

Chairs : Ying Li (Division of Nephrology, the Third Hospital of Hebei Medical University, China)

Jun Minakuchi (Kawashima Hospital, Japan)

【LS-25-1】 Current status and developments in China dialysis therapy

Kidney Disease Research Institution of Dalian Medical University
& Department of Nephrology of the First Affiliated Hospital,
China

○ Hongli Lin

【LS-25-2】 Current status and developments in Japan dialysis therapy

Department of General Internal Medicine, Saitama Medical
University, Japan

○ Hidetomo Nakamoto

Luncheon Seminar 26 Jun-17 (Sat.) 12:40-13:40 Room 6 (Conference Center 5F 501)

Co-sponsor : Baxter Limited

Decision Process of (Dialysis) Modality Selection: Current Status of Japan and the World

Chair : Yasuhiko Ito (Aichi Medical University, Division of Nephrology and Rheumatology, Japan)

【LS-26-1】 St. Luke's International Hospital, Kidney Center

○ Yasuhiro Komatsu

【LS-26-2】 Yale University Medical School, CT, USA

○ Fredric O. Finkelstein

Luncheon Seminar 57 Jun-18 (Sun.) 12:40-13:40 Room 21 (Annex Hall 2F F205+F206)

Co-sponsor : Chugai Pharmaceutical Co., Ltd.

Chair : Masanori Abe (Nihon University School of Medicine, Japan)

【LS-57】 Education and Management of the CKD Patient with Regard to Dietary Sodium Chloride Intake

Medicine and Public Health Division of Nephrology and
Hypertension at the Department of Medicine,
Harbor-UCLA Medical Center, CA, USA

○ Joel D. Kopple
