 Natural history and new concept of surgical treatment for OPLL of the cervical spine

Step 3: Choose the presentation you are interested in.

- Click the green "Video" button to view the presentation data, and you will be taken to the viewing screen.

How to Post Questions

The screenshot shows a web interface for the APSS-APPOS 2021 event. At the top left, the text "APSS-APPOS 2021" is displayed. In the top right corner, there is a red "CLOSE" button. The main content area is split into two columns. The left column features a dark background with white text: "このイベントは次の日時に配信を予定しています" (This event is scheduled for distribution on the following date and time), "5月19日" (May 19), and "at 7:30 AM". Below this, there is a "Q&A" button. The right column has a red header "Information" and lists details: "Category: symposium", "Session Title: Symposium 1: Cervical Spine (OPLL)", "Speaker No: PS-SY-1-1", "Speaker Name: Yoshiharu Kawaguchi", and "Title: Natural history and new concept of surgical treatment for OPLL of the cervical spine". Below the information, there is a "Post a Question" button. A "LIVE" indicator is visible in the bottom right corner of the main content area.
