

PROGRAM AT A GLANCE

WG = ISHAM Working Group

Monday, May 25		Tuesday, May 26						
		Room A (Eminence Hall)	Room B (Nishiki)	Room C (Ohgi)	Room D (Hana A)	Room E (Hana B)	Room F (Hana C)	Poster Rooms
		5F	4F	4F	4F	4F	4F	42F, 43F
8:00			MO-01 WG Mycetoma	MO-02 WG Chromoblastomycosis	MO-03 WG Rhinosinusitis	MO-04 <i>Lacazia loboi</i> infections in humans and dolphins	MO-05 EORTC/ MSG definitions	
8:50		CB-01						
9:00		Mycoses in South America	CB-02 Cell wall	MO-06 WG Black yeasts	CL-01 Allergic fungal infections	PT-01 <i>Aspergillus</i> PCR	PF-01 Poster Forum 1	
10:30		Break			Break			
10:45		CL-02 Fungal infections non-neutropenic	CB-03 Biofilm quorum sensing	ISHAM Affiliated Societies Meeting	VM-01 Veterinary mycoses	PT-02 Rapidly changing mycology	PF-02 Poster Forum 2	Poster Display
12:15								
12:25		SS-01 Luncheon Seminar 1: Echinocadin	SS-02 Luncheon Seminar 2: <i>T.pedis</i> & <i>unguim</i>					
13:25								
13:30								Poster Presentation Hour
15:00		KL-01 Keynote Lecture 1: <i>Candida</i> cell wall						odd number mandatory
16:00		Break						
16:15		CL-03 Endemic mycoses	CL-04 <i>Fusarium</i> & hyalo- hyphomycoses	IM-01 Toll-like receptors	CB-04 Molecular genetics of fungi	CL-05 Management patient care	PF-03 Poster Forum 3	Poster Display
17:00	Room A (Eminence Hall)							
17:45	Opening Session: Presidential Addresses Opening Keynote							
18:00		SS-07 Evening Seminar 7: <i>T.capitis</i>						
19:00	Concord (5F)							
	Welcome Reception 19:00 -	PR-01: Congratulatory Remarks PR-02: Dangerous black fungi OK-01: <i>Cryptococcus neoformans</i> OK-02: Dancing with fungus						Poster Evening

PR: Presidential Addresses OK: Opening Keynote Lectures

KL: Keynote Lectures SL: Special Lecture SS: Sponsored Seminars CB: Cell biology, Biochemistry and Molecular biology

IM: Immunology, Host-fungal relations and defense mechanisms AF: Antifungals PT: Pathology, Diagnosis & Taxonomy

EP: Epidemiology VM: Veterinary Mycoses CL: Clinicals OT: Others MO: Morning Sessions

WG = ISHAM Working Group

Wednesday, May 27								
	Room A (Eminence Hall)	Room B (Nishiki)	Room C (Ohgi)	Room D (Hana A)	Room E (Hana B)	Room F (Hana C)	Room G (Hana D)	Poster Rooms
	5F	4F	4F	4F	4F	4F	4F	42F, 43F
8:00	JSMM Council Meeting	MO-07 <i>Pythium insidiosum</i>	MO-08 WG Fungiscope	MO-09 WG <i>Scedosporium</i>	MO-10 WG Zygomycosis		MO-11 WG <i>Malassezia</i> epidemiology and pathology	
8:50								
9:00	CL-06 New generation antifungals	PT-03 <i>Malassezia</i>	EP-01 Mycoses in Africa	IM-02 Immune deficiency	AF-01 Molecular basis resistance	PF-05 Poster Forum 5	PF-04 Poster Forum 4	
10:30	Break							
10:45	CL-07 Fungal infections hematology	CL-08 Management of dermatomycoses	CB-05 Comparative genomics	IM-03 T-cell cellular immunity	AF-02 Transcriptional regulation resistance	PF-06 Poster Forum 6	OT-01 New Trends & Challenges - Scientific Publishing	Poster Display
12:15								
12:25	SS-03 Luncheon Seminar 3: Diagnosis	SS-04 Luncheon Seminar 4: Systemic fungal infections						
13:25								
13:30								Poster Presentation Hour
14:20	KL-02 Keynote Lecture 2: C-type lectins							
15:20								
15:40		PF-07 Poster Forum 7						Poster Display
16:15			CB-06 Morphogenesis cell cycle	IM-04 Antibody, systemic & mucosal immunity	PT-04 Basidiomycotic fungi	PF-08 Poster Forum 8	CL-09 IFI in children	
17:10		AL-01 JSMM Award Lecture						
17:45								
18:00		SS-08 Evening Seminar 8: Yeast research						
19:00	Japan Night Enjoy a special gathering in a Japanese garden venue. An early summer evening of fun awaits you! (with advance reservation; tickets are limited)				Keio Plaza Hotel (Departure, 19:00) ▼  Transport by bus Four Seasons Hotel / Chinzan-so			

PROGRAM AT A GLANCE

Thursday, May 28								
	Room A (Eminence Hall)	Room B (Nishiki)	Room C (Ohgi)	Room D (Hana A)	Room E (Hana B)	Room F (Hana C)	Poster Rooms	
8:00	5F	4F	4F	4F	4F	4F	42F, 43F	
8:30		EP-03		PT-05				
9:00	EP-02 Epidemiology infection control	Mycoses in Asia	CB-07 Virulence factors	Medical phycology	AF-03 New targets antifungal strategies	PF-09 Poster Forum 9	Poster Display	
10:00	Break							
10:10	SL-01 Special Lecture: A gift from nature							
10:45	General Assembly							
12:25	SS-05 Luncheon Seminar 5: Aspergillosis	SS-06 Luncheon Seminar 6: Malassezia						
13:25								
13:30								Poster Presentation Hour
15:00	KL-03 Keynote Lecture 3: Immunologic risks							even number mandatory
16:00	Break							
16:15	EP-04 Epidemiology, population genetics evolution	CL-10 Subcutaneous mycoses	CB-08 Signalling stress response	AF-04 Pharmacokinetics/ pharmacodynamics	IM-05 Cytokines host-fungus interaction	PF-10 Poster Forum 10		Poster Display
18:00			JSMG General Assembly					
18:50								
19:00	Gala Dinner Celebrate ISHAM2009 in style (Concord 5F)							

Friday, May 29					Saturday, May 30	Sunday, May 31
	Room B (Nishiki)	Room C (Ohgi)	Room D (Hana A)	Room E (Hana B)	Room F (Hana C)	
8:00	4F	4F	4F	4F	4F	
9:00	CL-11 Emerging invasive fungal infections	CB-09 Transcriptome proteomics	AF-05 Susceptibility testing	PT-06 Serodiagnosis histopathology	IM-06 Dectin, dendritic cells & phagocytes	Satellite Symposia in Beijing, China
10:30	Break					
10:45	IM-07 Experimental models fungal infections	CB-10 Mating in fungi	PT-07 Sequence based identification	OT-02 Mycotoxin	CL-12 Pneumocystis	
12:15	Travel to Beijing
