Notes
1. A place to leave bags will be provided. However, the organizers can accept no responsibility for loss, theft or accidental damage. Runners are asked to make their own arrangements regarding any valuables.
2. A changing room will be provided for use after the run.
3. In the event of rain, the run will still go ahead. However, if the weather is deemed by the organizers to pose a risk to the safety of the participants, the run may be canceled. In that event, notification of the cancellation will be provided via the 72nd Annual Scientific Meeting of the Japanese Association for Thoracic Surgery app.
4. In the event that any participant is taken ill, injured, or suffers any other accident, the organizers can accept absolutely no responsibility other than for providing first aid.
