

# JATS2018 Preliminary Program

As of Sep. 7, 2018

Day1, October 4 (Thu.) 2018

Simultaneous interpretation (J⇄E) Joint Adult Cardiac Congenit Lung Esophagus

会場			7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00
Room A	3F	Keiun Adult	Opening Ceremony														
Room B	3F	Hakuun Adult	Techno-Academy: Mitral														
Room C	3F	Suiun Lung	Techno-Academy: Thoracic-1 Minimal invasive and robot-assisted thoracic														
Room D (Colosseum)	3F	Koun Adult	Surgical Colosseum: Aorta 1, Coronary Artery, Aortic Annulus														
Room E	1F	Gyoko Lung	Oral Presentation: Mediastinal Tumor, Emphysematous and Inflammatory Lung, Lung Cancer 1, Lung Cancer 2														
Room F	1F	Kyokko Adult	Oral Presentation: CABG ITA-MICS, CABG RGEA, Redo, Type B Dissection, TEVAR 2, Complications of Aortic Dissection, Thoracoabdominal														
Room G	1F	Zuiko Congenital	Techno-Academy: Congenital-1 Repair of atrioventricular, Oral Presentation: Congenital 1														
Room H	2F	Aoba Adult	Oral Presentation: Aortic Valve 1, TAVI, Aortic Valve 2: Valve Prosthesis, Aorta														
Room I (Colosseum)	2F	Matsuba Lung	Rapid Response: TAVI, Other, Experiment, Type A Dissection 1, Type A Dissection 2														
ハンズオン	2F	Wakaba	Hands-on Seminar														
Poster Room 1	1F	Ogyoku Lung	Poster Mounting, Poster Viewing, Poster Presentation, Poster Removal														
Poster Room 2	1F	Kogyoku Lung	Poster Mounting, Poster Viewing, Poster Presentation, Poster Removal														
Poster Room 3	3F	Hokushin Adult Lung	Poster Mounting, Poster Viewing, Poster Presentation, Poster Removal														
Rapid Response		Adult Lung	Rapid Response: Thoracic 1, Thoracic 2, Thoracic 3, Thoracic 4, Mitral Valve, Aortic Valve, Coffee Break Seminar, CABG 1: Graft, Ischemic Heart Disease														
Exhibition			Exhibition														

Continental Breakfast

Coffee Break

JCVSD DM Mtg.

# JATS2018 Preliminary Program

As of Sep. 7, 2018

Day2, October 5 (Fri.) 2018

: Simultaneous interpretation (J⇄E)

Joint
Adult Cardiac
Congenit
Lung
Esophagus

会場			7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00														
Room A+B	3F	Keiun + Hakuun <span style="background-color: yellow; border: 1px solid black; padding: 2px;">Joint</span> <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span>	Continental Breakfast															General Assembly	Clinical Video Session: DCM	Featured Abstract	Clinical Video Session: Aortic Valve	Congress Presidential Address	Luncheon Seminar	Techno-Academy: Aortic Valve Repair			Joint Symposium		Home Coming Session		
Room C	3F	Suiun <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span> <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span>																Clinical Video Session: Extended/reconstructiv	Featured Abstract	Clinical Video Session: Extended/reconstruc	Presidential Address	Luncheon Seminar	Techno-Academy: Thoracic-2 Tracheobronchial reconstruction			Panel Discussion: Multimodality treatment for malignant pleural					
Room D (Colosseum)	3F	Koun <span style="background-color: yellow; border: 1px solid black; padding: 2px;">Joint</span> <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span> <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span>																Gladiator Session: On-pump CABG vs OPCAB	Gladiator Session: Bentall vs Valve Sparing	Gladiator Session: Ring Annuloplasty for Mild Secondary TR	Gladiator Session: Mid-Sternotomy vs MICS	Luncheon Seminar	Panel Discussion: Saphenous vein graft revisited		Specialty Board Program		Panel Discussion: How should we treat functional tricuspid regurgitation? : Surgical strategy according to TR grade				
Room E	1F	Gyoko <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span>																Clinical Video Session: Limited/thoracoscopic Surgery 1		Clinical Video Session: Limited/thoracoscopic Surgery 2		Luncheon Seminar	Oral Presentation: Metastatic Lung Tumor	Oral Presentation: Lung Cancer 4	Oral Presentation: Lung Cancer 5	Oral Presentation: Diagnostic Examination 1	Oral Presentation: Diagnostic Examination 2				
Room F	1F	Kyokko <span style="background-color: yellow; border: 1px solid black; padding: 2px;">Joint</span> <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span>																Oral Presentation: Type A Dissection 1: Arch Pro		Oral Presentation: Type A Dissection 2: Arch Con		Luncheon Seminar	Oral Presentation: Type A Dissection 3	Team Medical		Oral Presentation: Tricuspid Valve	Oral Presentation: Aortic Valve 3: Valve Repair, Valve Sparing	Oral Presentation: Aortic Valve 4	Evening Seminar		
Room G	1F	Zuiko <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span> <span style="background-color: #d4edda; border: 1px solid black; padding: 2px;">Congenital</span>																Clinical Video Session: Congenital 1	Featured Abstract	Clinical Video Session: Congenital 2		Luncheon Seminar	Techno-Academy: Congenital-2 Techniques for repair of aortic arch		Techno-Academy: Congenital-2 Cone Procedure for Ebstein's Anomaly/congenital heart disease		Oral Presentation: Congenital 4	Oral Presentation: Congenital 5			
Room H	2F	Aoba <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span> <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span> <span style="background-color: #d4bda7; border: 1px solid black; padding: 2px;">Esophag</span>																Clinical Video Session: Mediastinum and		Clinical Video Session: Ischemic Heart Disease		Luncheon Seminar	Symposium: The current status and future vision of the esophageal carcinoma surgery from		Oral Presentation: Esophageal Surgery		Panel Discussion: The best reconstruction method after esophagectomy for thoracic esophageal				
Room I (Colosseum)	2F	Matsuba <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span> <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span> <span style="background-color: #d4bda7; border: 1px solid black; padding: 2px;">Esophag</span>																Surgical Colosseum: Multimodal treatment for the locally advanced esophageal carcinoma	Featured Abstract	Surgical Colosseum: Multimodal treatment for the esophageal carcinoma with multiple primary carcinoma		Luncheon Seminar	Surgical Colosseum: Treatment Strategy 1	Surgical Colosseum: Treatment Strategy 2	Surgical Colosseum: Treatment Strategy 3	Surgical Colosseum: Intra/post-operative	Surgical Colosseum: Intra/post-operative				
ハンズオン	2F	Wakaba																										Hands-on Seminar			
Poster Room 1	1F	Ogyoku <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span>	Poster Mounting			Poster Viewing						Poster Presentation	Poster Removal																		
Poster Room 2	1F	Kogyoku <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span>	Poster Mounting			Poster Viewing						Poster Presentation	Poster Removal																		
Poster Room 3	3F	Hokushin <span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span> <span style="background-color: #d4bda7; border: 1px solid black; padding: 2px;">Esophag</span>	Poster Mounting			Poster Viewing						Poster	Poster Removal																		
Rapid Response		<span style="background-color: #f8d7da; border: 1px solid black; padding: 2px;">Adult</span> <span style="background-color: #d1ecf1; border: 1px solid black; padding: 2px;">Lung</span> <span style="background-color: yellow; border: 1px solid black; padding: 2px;">Joint</span>	Rapid Response CABG	Rapid Response:	Gender Equality Programming		Rapid Response:	Rapid Response:	Coffee Break Seminar	Rapid Response: Assisted Circulation, Ventricular Assisted System		Rapid Response: Perioperative Management, Complications																			
Exhibition			Exhibition																												

# JATS2018 Preliminary Program

As of Sep. 7, 2018

Day 3, October 6 (Sat.) 2018

Simultaneous interpretation (J⇌E)

Joint
Adult Cardiac
Congenit
Lung
Esophagus

会場			7:00	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	21:00															
Room A	3F	Keiun Adult	Continental Breakfast															Panel Discussion: Pursuit of quality and safety in MICS	Techno-Academy: Minimally Invasive	Lunchon Seminar	Techno-Academy: Emerging Technology	Closing Ceremony										
Room B	3F	Hakuun Adult																Techno-Academy: Heart Failure	Symposium: Mechanical circulatory support for acute heart failure – exploring the best strategy –							Lunchon Seminar	Panel Discussion: Pursuing the best long-term management for implantable ventricular assist devices					
Room C	3F	Suiun Adult																Oral Presentation: Aorta-Ascending, Arch 1	Oral Presentation: Aorta-Ascending, Arch 2	Symposium: The best surgical strategy for acute type A aortic dissection: still replacement of the ascending aorta, or extended ascending and arch replacement? – A re-consideration based on long-term results and the results of additional surgery after the first surgery				Lunchon Seminar	Clinical Video Session: Aorta	Clinical Video Session: MICS						
Room D (Colosseum)	3F	Koun Adult Congenital																Surgical Colosseum: Aorta 2	Surgical Colosseum: Mitral Annulus	K	L	Surgical Colosseum: Congenital 1	Lunchon Seminar	Surgical Colosseum: Congenital 2	Gladiator Session	Gladiator Session						
Room E	1F	Gyoko Adult																Oral Presentation: Mitral Valve 1	Oral Presentation: Mitral Valve 2: Valve Repair	Oral Presentation:	Oral Presentation:	Lunchon Seminar	Oral Presentation: MICS									
Room F	1F	Kyokko Adult																Oral Presentation: Perioperative Management, Complications 1	Oral Presentation: Perioperative Management, Complications 2	Oral Presentation:	Oral Presentation: Heart Failure, Regenerative Medicine	Lunchon Seminar	Oral Presentation: Miscellaneous	Uncomplicated type B acute aortic dissection: which should be chosen, TEVAR or				Chronic type B dissecting aortic aneurysms: TEVAR or still Open surgery?				
Room G	1F	Zuiko Congenital																Techno-Academy: Congenital-3 Knacks & Pitfalls: Surgery for extra cardiac type Total Anomalous Pulmonary Venous Return														
Room H	2F	Aoba Esophag																Techno-Academy: Esophagus						Oral Presentation: Multimodal Treatment	Oral Presentation: Perioperative Management							
Poster Room 1	1F	Ogyoku Congenital																Poster Mounting			Poster Viewing						Poster Presentation	Poster Removal				
Poster Room 2	1F	Kogyoku Adult																Poster Mounting			Poster Viewing						Poster Presentation	Poster Removal				
Poster Room 3	3F	Hokushin Adult	Poster Mounting			Poster Viewing						Poster Presentation	Poster Removal
