

Program Timetable [October 11 (Thu.) / DAY 1]

		8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00
KEIO PLAZA HOTEL TOKYO	5 F Room1 Eminence Hall		8:50 Special Lecture 1 E	9:50 Special Lecture 2 E	10:40 Special Lecture 3 E	11:30 Special Lecture 4 E	12:40 Luncheon Seminar 1 E	13:50 President's Lecture	14:30 Special Lecture 5 E	15:20 Joint Symposium 1 Molecular mechanisms of heart failure E	17:30 Joint Symposium 2 What are roles of cardiologist in the DT era?		
	5 F Room2 Concord A		Opening Ceremony	9:00 Symposium 1 Forefront of Arrhythmia treatment	10:40 Symposium 2 Genetic diagnosis and counselling in the cardiovascular diseases		12:40 Luncheon Seminar 2		14:30 Special Program 1 What has changed following new guidelines and what does not change?	16:10 Symposium 3 JHFS/JCS 2017 guideline-based prevention of heart failure - How we manage HF patients at "Stage-A"?	17:50 Oral 01 basic research of heart failure		
	5 F Room3 Concord B		9:00 Symposium 4 Diagnosis and Treatment of Heart Failure according to Ejection Fraction	10:40 Symposium 5 From elucidation of the molecular mechanisms to the development of novel therapy for of pulmonary arterial hypertension (PAH)		12:40 Luncheon Seminar 3		14:30 Panel Discussion1 New Proposals for Heart-Failure Medical System in Japan: What to do with Growing Super-elderly Patients?	16:10 Symposium 6 Telemedicine and IoT utilization				
	5 F Room4 Concord C		9:00 Young Investigator's Award 1 E	10:00 Team Medical Care Award	11:20 Young Investigator's Award 2 E	12:40 Luncheon Seminar 4		14:30 Young Investigator's Award 3 E	15:40 Afternoon Seminar 1	16:40 Young Investigator's Award 4 E	17:50 Oral 02 HFpEF		
	4 F Room5 Hana A		9:00 Oral 03 Cardio-renal syndrome	10:20 Oral 04 Epidemiology 1	11:30 Oral 05 Epidemiology 2	12:40 Luncheon Seminar 5		14:30 Oral 06 Left ventricular assist device, heart transplantation	15:50 Educational Lecture 1	16:30 Educational Lecture 2	17:10 Educational Lecture 3	17:50 Educational Lecture 4	18:30 Educational Lecture 5
	4 F Room6 Hana C		9:00 Oral 07 Mechanical circulatory support, CRT	10:10 Oral 08 Pharmacological treatment 1	11:30 Oral 09 Pharmacological treatment 2	12:40 Luncheon Seminar 6		14:30 Oral 10 Arteriosclerosis	15:30 Oral 11 Pulmonary hypertension (Case presentation)	16:30 Oral 12 Case Report 1 (Cardiomyopathies and related disorders)	17:30 Oral 13 Case Report 2 (Cardiomyopathy and heart failure due to medical therapies)		
	4 F Room7 Hana D (APCHF2018)		9:10 Symposium1 Epidemiology of Heart Failure in AP E	10:50 Symposium2 HFpEF;Diagnosis and Therapeutic Strategies E		12:40 Luncheon Seminar 26		14:30 Symposium3 Heart Team Intervention and HF E	16:00 Oral Presentation 1 E	17:00 Symposium4 AF management in HF E			
	4 F Room8 Nishiki		9:00 Oral 14 Exercise stress & Cardiac Rehabilitation 1	9:50 Oral 15 Exercise stress & Cardiac Rehabilitation 2	10:50 Special Program 2 Integration of basic and clinical science to develop next-generation clinical practice of heart failure	12:40 Luncheon Seminar 7		14:30 Oral 16 End-of-Life Care and Heart Failure in the Elderly	15:30 Oral 17 Cardiomyopathy, myocarditis - Treatment and prognostic prediction 1	16:40 Oral 18 Cardiomyopathy, myocarditis - Treatment and prognostic prediction 2	17:30 Oral 19 Team medical care		
	3 F Room9 Grace Room					12:40 Luncheon Seminar 8							
	47 F Poster Akebono+Aozora		8:30 Poster Mounting	10:00 Poster Display									18:30 Poster Session
4 F Exhibition Hana B		9:00 Equipment Exhibition									19:30~20:15 Poster Removal		

E English

Program Timetable [October 12 (Fri.) / DAY 2]

		8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00
KEIO PLAZA HOTEL TOKYO	5F Room1 Eminence Hall		8:30 Special Program 3 Cancer Therapeutics-Related Cardiotoxicity and Heart Failure E	10:00 Special Lecture 6 E	10:50 Special Lecture 7 E	11:30 Special Lecture 8 E	12:20 Luncheon Seminar 9	13:20 General Assembly	14:30 Special Lecture 9	15:20 Special Lecture 10 E	16:10 Joint Symposium 3 Atrial fibrillation and heart failure: mechanisms and management E	19:15~21:00 Convivial Party	
	5F Room2 Concord A		8:30 Symposium 7 SHD intervention Update	10:10 Joint Symposium 4 Palliative care of heart failure patients			12:20 Luncheon Seminar 10		14:30 Special Lecture 11	15:20 Reports of study group on cardiomyopathy	17:00 JHFS Award		
	5F Room3 Concord B		8:30 Heart Team Symposium 1 Palliative and Supportive Care in Advanced Heart Failure	10:10 Heart Team Symposium 2 The Current Situation and Issues of Medical Collaboration in Management of Severe Heart Failure Patients			12:20 Luncheon Seminar 11		14:30 Panel Discussion 2 Recent position of lung transplantation in management of pulmonary hypertension	16:10 Panel Discussion 3 Multidisciplinary approach for coming destination therapy	17:50 Late-Breaking Clinical Trial		
	5F Room4 Concord C		8:30 Special Program 4 Difficult cases of heart failure in trouble: Could you show us your challenges?	10:10 Special Program 5 Invasive strategy for heart failure: Pro/Con			12:20 Luncheon Seminar 12		14:30 Sponsored Seminar	16:10 Special Program 6 Case Discussion	17:50 JHFS Special Program		
	4F Room5 Hana A			10:10 Symposium 8 Current and future prospects for treatment of adult congenital heart disease			12:20 Luncheon Seminar 13 E		14:30 Oral 20 Pharmacological treatment 3				
	4F Room6 Hana C		8:30 Oral 21 Echo cardiography/ Doppler/ Imaging diagnosis	9:30 Educational Lecture 6	10:10 Educational Lecture 7	10:50 Educational Lecture 8	11:30 Educational Lecture 9	12:20 Luncheon Seminar 14	14:30 Oral 22 Heart failure and biomarkers	15:40 Oral 23 Heart failure and Humoral factors	16:50 Oral 24 Heart Failure and Metabolism	18:00 Oral 25 Case Report 3 (Pulmonary hypertension and associated diseases ; diagnoses and therapies)	
	4F Room7 Hana D (APCHF2018)		8:30 Symposium5 Diagnosis and Treatment of Pulmonary Hypertension E		10:30 Sponsored Seminar Challenges in Management of AHF E		12:20 Luncheon Seminar 15 E		14:30 Symposium6 Management of Advanced HF E	16:00 Symposium7 Cardiomyopathy E	17:40 Young Investigator's Award E		
	4F Room8 Nishiki		8:30 Oral 26 Exercise stress & Cardiac Rehabilitation 3	9:20 Oral 27 Exercise stress & Cardiac Rehabilitation 4	10:20 Oral 28 Cardiomyopathy, myocarditis - Case report	11:10 Oral 29 Cardiomyopathy, myocarditis - Onco-Cardiology	12:20 Luncheon Seminar 16		14:30 Educational Lecture 10	15:10 Afternoon Seminar 2	16:10 Educational Lecture 11	16:50 Educational Lecture 12	17:30 Educational Lecture 13
	3F Room9 Grace Room		8:30 Oral 30 Registry	9:20 Oral 31 Heart failure care in chronic phase	10:20 Oral 32 nutrition, sarcopenia, frailty	11:10 Oral 33 Heart failure care in acute phase	12:20 Luncheon Seminar 17		14:30 Oral 34 Palliative 1	15:30 Oral 35 Palliative 2	16:30 Oral 36 Ischemic heart disease, Valvular heart disease	17:30 Oral 37 Cardiomyopathy, myocarditis - Diagnostic imaging	
	47F Poster Akebono+Aozora		8:30 Poster Mounting	10:00 Poster Display									
4F Exhibition Hana B		8:30 Equipment Exhibition											19:00~19:40 Poster Removal

Program Timetable [October 13 (Sat.) / DAY 3]

		8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00
KEIO PLAZA HOTEL TOKYO	5F Room1 Eminence Hall		8:30 Joint Symposium 5 Registry-based clinical trials for heart failure E		10:10 Special Lecture 12 E	11:00 Special Lecture 13		12:00 Luncheon Seminar 18 E	13:00 Special Lecture 14 E	13:50 Special Lecture 15 E		14:40 Symposium 9 How can we utilize iPS cells for cardiomyopathy?	
	5F Room2 Concord A		8:30 Panel Discussion 4 Right ventricular function and failure		10:10 Heart Team Symposium 3 The role played by the heart team in remote monitoring and telemedicine		12:00 Luncheon Seminar 19	13:00 Symposium 10 The New Aspects of Rehabilitation for Heart Failure Patients		14:40 Heart Team Symposium 4 Training for next-generation heart team for advanced heart failure		Closing Ceremony	
	5F Room3 Concord B		8:30 Symposium 11 Therapeutic strategy for cardiovascular disease targeting molecular metabolism		10:10 Symposium 12 Peripartum cardiomyopathy and pregnancy complicated by maternal and fetal heart disease		12:00 Luncheon Seminar 20	13:00 Symposium 13 Cutting-edge Research of Cardiovascular Medicine		14:40 Symposium 14 Frontiers in Heart Failure Research			
	5F Room4 Concord C		8:30 Educational Lecture 14	9:10 Educational Lecture 15	10:00 Special Program 7 From Basic Research to Clinical Practice on Cardiomyopathy		12:00 Luncheon Seminar 21	13:00 Special Program 8 Current status and future outlook of cardiovascular research in Japan		14:40 Special Program 9 Multifaceted approach for heart failure pandemic			
	4F Room5 Hana A		8:30 Oral 38 Cardiac function	9:30 Oral 39 Hemo dynamics	10:40 Oral 40 Pharmacological treatment 4		12:00 Luncheon Seminar 22	13:00 Educational Lecture 16	13:40 Educational Lecture 17	14:20 Educational Lecture 18	15:00 Educational Lecture 19		
	4F Room6 Hana C		8:30 Oral 41 Nursing care for heart failure 1	9:20 Oral 42 Nursing care for heart failure 2	10:40 Oral 43 Case Report 4 (Acute and chronic treatment of heart failure in the elderly)		12:00 Luncheon Seminar 23	13:00 Oral 44 RV failure, Pulmonary hypertension, Peripheral circulation (Diagnosis, Gene analysis, Other)	14:00 Afternoon Seminar 3	15:00 Oral 45 Pulmonary hypertension (Treatment, Prognosis)			
	4F Room7 Hana D (APCHF2018)		8:30 Symposium 8 Disease Management of HF E		10:10 Oral Presentation 2 E		12:00 Luncheon Seminar 24 E	13:00 Symposium 9 DM and HF E		14:40 Symposium 10 ACHD Overview E			
	4F Room8 Nishiki						12:10 Luncheon Seminar						
	3F Room9 Grace Room		8:30 Oral 46 Prevention of Rehospitalization	9:30 Oral 47 Exercise stress & Cardiac Rehabilitation 5	10:40 Oral 48 Risk factor		12:00 Luncheon Seminar 25	13:20 Special Program 10 Tailor-made Patient Care in Cardiology					
	47F Poster Akebono+Aozora												
4F Exhibition Hana B		8:30	Equipment Exhibition
