Possible publication in *Artificial Organs* or *Journal of Artificial Organs*

Artificial Organs is the official journal for IFAO and *Journal of Artificial Organs* is the official journal for JSAO. We strongly encourage you to submit a manuscript based on the work you present in this meeting to *Artificial Organs* or *Journal of Artificial Organs* before the end of 2019. We will place all such manuscripts on a "fast track" for expedited peer-review and publication in the Special Issue of both journals.

Awards

Please submit your research work to the meeting website (<http://www.congre.co.jp/jsao2019/>) and abstract submission site will be open in April, 2019. IFAO investigator awards (JPY 50,000) will be given to 90 oral or poster presentations from abroad and IFAO best presentation awards (JPY 100,000) will be given to 10 oral or poster presentations from abroad.

Osaka

Osaka has been a lively city and a center of social interchange. Located at the confluence of a vast web of busy river and sea routes, it naturally grew into a flourishing economic center and became the gateway to Japan for travelers from all over the world. While you enjoy experiencing Osaka, we also hope you make the most of easy access from Osaka to many of other attractive cities such as the ancient capitals of Kyoto and Nara.
