

The 71st General Meeting of the Japanese Society of Gastroenterological Surgery

Program schedule for July 14 (Thu.), Day 1

Hall No.	Venue	7:30	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00			
Hall 1	1 F Main Hall	Opening Ceremony	Educational Seminar 1 Gastroenterological surgery from the view point of membrane anatomy ~Rectum~	Educational Program 1 The succession of masters' technique "Colon and rectum"	Symposium 7 Recent advancement of laparoscopic surgery for rectal cancer -Orthodox & Serendipity- English Video		Luncheon Seminar 1 Johnson & Johnson	Special Session 8 Medical assistance for developing countries			General Meeting of Members (Board of councillors)							
					Symposium 12 Function-preserving and reconstructive surgery for gastric cancer Video			Symposium 11 Recent refinement of surgical procedure for advanced esophageal cancer English Video		Luncheon Seminar 2 Eli Lilly Japan		Workshop 26 Surgical technique of intersphincteric resection for lower rectal cancer Video		Oral (video) Colorectum 1 Video				
					Workshop 1 Management of young surgeons training			Special Session 10 Recruiting strategy for gastroenterological surgery: Rural area vs. Urban area		Luncheon Seminar 3 TERUMO CORPORATION		Symposium 4 Thoracoscopic surgery for esophageal cancer -Orthodox & Serendipity- English						
					Workshop 11 Treatment strategy for benign disease of esophagus			Workshop 15 Basic science and clinical findings in gastric cancer peritoneal dissemination: Efforts to generate new evidences		Luncheon Seminar 4 Mc Medical/KARL STORZ Endoscopy Japan k.k.		Workshop 13 Significance of para-aortic lymph nodes dissection in advanced gastric cancer after chemotherapy			Oral (video) Stomach 1 Video			
Hall 2	4 F Main Conference Room	Symposium 12 Function-preserving and reconstructive surgery for gastric cancer Video		Symposium 11 Recent refinement of surgical procedure for advanced esophageal cancer English Video		Luncheon Seminar 2 Eli Lilly Japan		Workshop 26 Surgical technique of intersphincteric resection for lower rectal cancer Video		Oral (video) Colorectum 1 Video								
		Workshop 1 Management of young surgeons training		Special Session 10 Recruiting strategy for gastroenterological surgery: Rural area vs. Urban area		Luncheon Seminar 3 TERUMO CORPORATION		Symposium 4 Thoracoscopic surgery for esophageal cancer -Orthodox & Serendipity- English										
		Workshop 11 Treatment strategy for benign disease of esophagus		Workshop 15 Basic science and clinical findings in gastric cancer peritoneal dissemination: Efforts to generate new evidences		Luncheon Seminar 4 Mc Medical/KARL STORZ Endoscopy Japan k.k.		Workshop 13 Significance of para-aortic lymph nodes dissection in advanced gastric cancer after chemotherapy			Oral (video) Stomach 1 Video							
Hall 3	4 F Conference Room 2-4	Symposium 12 Function-preserving and reconstructive surgery for gastric cancer Video		Symposium 11 Recent refinement of surgical procedure for advanced esophageal cancer English Video		Luncheon Seminar 2 Eli Lilly Japan		Workshop 26 Surgical technique of intersphincteric resection for lower rectal cancer Video		Oral (video) Colorectum 1 Video								
		Workshop 1 Management of young surgeons training		Special Session 10 Recruiting strategy for gastroenterological surgery: Rural area vs. Urban area		Luncheon Seminar 3 TERUMO CORPORATION		Symposium 4 Thoracoscopic surgery for esophageal cancer -Orthodox & Serendipity- English										
Hall 4	5 F Hall	Workshop 11 Treatment strategy for benign disease of esophagus		Workshop 15 Basic science and clinical findings in gastric cancer peritoneal dissemination: Efforts to generate new evidences		Luncheon Seminar 4 Mc Medical/KARL STORZ Endoscopy Japan k.k.		Workshop 13 Significance of para-aortic lymph nodes dissection in advanced gastric cancer after chemotherapy			Oral (video) Stomach 1 Video							
Hall 5	3 F Special Conference Room 1	Educational Seminar 2 Gastroenterological surgery from the view point of membrane anatomy ~Liver~		Educational Program 2 The succession of masters' technique "Liver"		Educational Program 3 The succession of masters' technique "Biliary"		Debate 1 Optimal surgical approach for intrahepatic cholangiocarcinoma: Extend surgery vs. Reduction surgery		Luncheon Seminar 5 TAIHO PHARMACEUTICAL		Workshop 19 Multidisciplinary treatment of advanced hepatocellular carcinoma with tumor thrombus English						
		Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Hall 6	3 F Special Conference Room 2	Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Hall 7	TOKIWA Hall	Educational Seminar 4 The impact of big data on gastroenterological surgery		Special Session 3 The past and future of national data base in gastroenterological surgery		Luncheon Seminar 7 NIKKISO CO., LTD.		Workshop 10 Current and future aspects for treatments of chronically infected wound in abdominal surgery										
Hall 8	2 F Conference Room 6	Workshop 5 Current translational research for digestive surgery		Symposium 2 Innovation of cell transplantation, tissue engineering and artificial organ -Orthodox & Serendipity- English		Luncheon Seminar 8 Medicon		JSGS-SSO Joint symposium 2016 Minimal invasive surgery for colorectal in Japan and USA English			Oral (video) Biliary-Pancreatic Video							
		Special Session 4 The impact of medical-engineering cooperation for gastroenterological surgery: ~Education~Regeneration~Robot~		Symposium 1 Surgical stress and metabolism -Orthodox & Serendipity- English		Luncheon Seminar 9 KAKEN PHARMACEUTICAL		The Best Session Award for the Junior Residents and Medical Students										
Hall 9	2 F Conference Room 4	Special Session 4 The impact of medical-engineering cooperation for gastroenterological surgery: ~Education~Regeneration~Robot~		Symposium 1 Surgical stress and metabolism -Orthodox & Serendipity- English		Luncheon Seminar 9 KAKEN PHARMACEUTICAL		The Best Session Award for the Junior Residents and Medical Students										
Hall 10	2 F Conference Room 5	Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Hall 11	1 F Conference Room 1	Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Hall 12	1 F Conference Room 3	Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Hall 13	1 F Conference Room 2	Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Poster	Multi-purpose Hall	Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Exhibition		Symposium 9 Multidisciplinary treatment of pancreatic cancer -Orthodox & Serendipity-		Educational Seminar 3 Gastroenterological surgery from the view point of membrane anatomy ~Pancreas~		Educational Program 4 The succession of masters' technique "Pancreas"		Luncheon Seminar 6 Century Medical		Symposium 15 Management of safe and reliable pancreatoduodenectomy English Video								
Hall No.	Venue	7:30	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00

The 71st General Meeting of the Japanese Society of Gastroenterological Surgery

Program schedule for July 15 (Fri.), Day 2

Hall No.	Venue	7:30	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00		
Hall 1 Hall 2 Hall 3 Hall 4	1 F 4 F 5 F Main Hall Main Conference Room Conference Room 2-4 Hall		Educational Seminar 5 Gastroenterological surgery from the view point of membrane anatomy ~Stomach~	Educational Program 5 The succession of masters' technique "Stomach"	Symposium 5 Laparoscopic gastrectomy for advanced gastric cancer -Orthodox & Serendipity-	English	Luncheon Seminar 13 Johnson & Johnson	Members Meeting Lecture by Board Chair of JSGS	Lecture by 71st JSGS Congress President	Special Lecture 2 Shuji Nakamura	JSGS 71 Award Ceremony & Lectures						
			Workshop 16 Anus preserving operation for carcinoma of lower rectum or anal canal	Workshop 17 Treatment strategy for advanced colorectal cancer with adjacent organ invasion	Workshop 17 Treatment strategy for advanced colorectal cancer with adjacent organ invasion	English	Luncheon Seminar 14 Olympus		Debate 2 Advanced surgical management for resectable lower advanced rectal cancer: Laparoscopic surgery vs. Robotic surgery	Debate 3 Feasible approach for early colorectal cancer: MITAS vs. Transanal resection vs. ESD		Video	Oral (video) Colorectum 2				
			Special Session 1 The role of JSGS in the new medical board certification system	Special Session 3 Tailor-made medicine for refractory solid carcinoma -Orthodox & Serendipity-	English	Luncheon Seminar 15 Chugai Pharmaceutical		Special Session 9 The development of light energy for medical technology									
			Debate 4 Optimal laparoscopic approach for gastrointestinal disease: SILS vs. RPS (Needle)	Special Lecture 1 Yuka Yamada	Special Session 5 Gender-equality program in gastroenterological surgery	English	Luncheon Seminar 16 Eli Lilly Japan		Workshop 8 Navigation methods for gastrointestinal surgery			Video	Oral (video) Colorectum 3				
Hall 5 Hall 6 Hall 7 Hall 8 Hall 9 Hall 10 Hall 11 Hall 12 Hall 13	3 F 2 F 1 F Special Conference Room 1 Special Conference Room 2 TOKIWA Hall Conference Room 6 Conference Room 4 Conference Room 5 Conference Room 1 Conference Room 3 Conference Room 2		Symposium 8 Recent refinement and problem of laparoscopic hepato-biliary-pancreatic surgery -Orthodox & Serendipity-	English	Workshop 20 Preventive management for recurrence after curative treatment of hepatocellular carcinoma	English	Luncheon Seminar 17 MSD			Panel Discussion 4 Multidisciplinary treatment of liver metastasis from colorectal cancer							
		Educational Seminar 6 Gastroenterological surgery from the view point of membrane anatomy ~Esophagus~	Educational Program 6 The succession of masters' technique "Esophagus"	Workshop 12 Techniques for preventing postoperative complication in esophageal surgery				Panel Discussion 1 Optimal reconstruction management for esophagectomy in the gastrectomized cases									
		Workshop 21 Preventive management for postoperative complications after pancreatic resection	English	Special Session 6 Problems and perspectives of pancreaticobiliary maljunction		Luncheon Seminar 19 ONO PHARMACEUTICAL		Panel Discussion 5 Multidisciplinary treatment of recurrent hepato-biliary pancreatic cancer									
		Symposium 10 Treatment strategy for inflammatory bowel disease -Orthodox & Serendipity-	English	Special Session 7 Basic and clinical sciences for Kampo medicine		Luncheon Seminar 20 YAKULT		Workshop 6-2 Clinical utilities of biomarker for gastrointestinal cancer			Video	Oral (video) Liver					
		Workshop 24 Immunological research for digestive surgery	English	Workshop 7-1 Basic research on digestive surgery -For discovering serendipity-		Luncheon Seminar 21 KAKEN PHARMACEUTICAL/ Sanofi K.K.		The Best Session Award for the Junior Residents and Medical Students									
							Luncheon Seminar 22 TSUMURA & Co.										
							Luncheon Seminar 23 Otsuka Pharmaceutical Factory, Inc.					Evening Seminar MIYARISAN PHARMACEUTICAL Co., LTD.					
							Luncheon Seminar 24 Japan Generic Medical Association										
Poster Exhibition	Multi-purpose Hall						Luncheon Seminar 25 Merck Serono						Oral (Poster Presentation)				
		Exhibition of Medical Equipments and Publications															
Hall No.	Venue	7:30	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00		

Participants Reception
at Otsuka Museum of Art

18:00~18:30 Mini Concert (Violin)
18:30~19:00 Excursion in the Museum
19:00~21:00 Participants Reception

The 71st General Meeting of the Japanese Society of Gastroenterological Surgery

Program schedule for July 16 (Sat.), Day 3

Hall No.	Venue	7:30	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00	
Hall 1	Awagin Hall	1 F Main Hall		Video Symposium 13 Indication and advanced technique of lateral lymph nodes dissection for advanced rectal cancer		Special Session 2 The knock and pitfalls for "Endoscopic Surgical Skill Qualification" from young qualified surgeons		Luncheon Seminar 26 Johnson & Johnson								
Hall 2		4 F Main Conference Room		Workshop 2-1 Standardization of gastrointestinal anastomosis for ZERO leakage		Workshop 2-2 Standardization of gastrointestinal anastomosis for ZERO leakage		Luncheon Seminar 27 Olympus	Video Workshop 27 Troubleshooting in laparoscopic surgery		Video Oral (video) Colorectum 4					
Hall 3		4 F Conference Room 2-4		Workshop 3 Recent management of enhanced recovery after surgery		Workshop 18 Merit and demerit of preoperative radio- and chemoradiotherapy for rectal cancer		Luncheon Seminar 28 Chugai Pharmaceutical	Video Workshop 25 Less invasive surgery for gastrointestinal cancers							
Hall 4		5 F Hall		Video Workshop 28 Refinement of hernioplasty from the current towards next ten years		English Debate 5 Feasible approach for hernioplasty: Anterior approach vs. Laparoscopic approach		Luncheon Seminar 29 Takeda Pharmaceutical	Panel Discussion 2 Strategy of treatment for local recurrence of rectal cancer		Video Oral (video) Hernia					
Hall 5	ASTY Tokushima	3 F Special Conference Room 1		English Workshop 9 Navigation methods for hepato-biliary-pancreatic surgery		English Video Symposium 14 Tips and tricks of safe and less-invasive hepatic lobectomy		Luncheon Seminar 30 Intuitive Surgical, Inc.		Panel Discussion 3 Treatment strategy of minimal HCC with less than 3cm in diameter						
Hall 6		3 F Special Conference Room 2		Debate 6 Treatment strategy for Stage III gastric cancer: Neoadjuvant chemotherapy vs. Adjuvant chemotherapy	Debate 7 The operative procedure of the gastroesophageal junction: Thoracic approach vs. Abdominal approach	English Symposium 6 Next stage of metabolic surgery -Orthodox & Serendipity-		Luncheon Seminar 31 Taisho Toyama Pharmaceutical		Workshop 14 Surgical strategy for advanced remnant gastric cancer						
Hall 7		TOKIWA Hall		English Workshop 23 New insight of pancreas and islet transplantation		English Workshop 22 Liver re-transplantation for graft failure: What are optimal selection criteria?		Luncheon Seminar 32 Shire Japan KK	Educational Program 7 The succession of masters' technique "Transplantation"							
Hall 8		2 F Conference Room 6		Workshop 4 Required practice on acute care surgery for gastroenterological surgeons		Workshop 6-1 Clinical utilities of biomarker for gastrointestinal cancer		Luncheon Seminar 33 JMS Co. Ltd./ Ansell Healthcare Japan	Workshop 7-2 Basic research on digestive surgery -For discovering serendipity-		Video Oral (video) Stomach 2					
Hall 9	2 F Conference Room 4															
Hall 10	2 F Conference Room 5															
Hall 11	1 F Conference Room 1							Luncheon Seminar 34 Medicon								
Hall 12	1 F Conference Room 3							Luncheon Seminar 35 Asahi Kasei pharma corporation								
Hall 13	1 F Conference Room 2							Cloak								
Poster Exhibition	Multi-purpose Hall										Oral (Poster Presentation)	Oral (video)				
			Exhibition of Medical Equipments and Publications													
Hall No.	Venue	7:30	8:00	9:00	10:00	11:00	12:00	13:00	14:00	15:00	16:00	17:00	18:00	19:00	20:00
