

## For returnees and entrants from overseas

All persons returning to or entering Japan from abroad, the following measures are required by quarantine of Japan.

### (1) Present inspection certificate

- At the time of entry, present a certificate or a copy of certificate of pre-entry test issued within 72 hours prior to departure and certified as "negative" by the local medical institution to the quarantine officer.

### (2) Test at the airport and quarantine at home or in the accommodation of Japanese government

- You will be tested for Covid-19 at the airport. If the result is negative, you have to remain at home, etc. and do not use public transportation during your quarantine period.
- **If you have stayed in the countries and regions in attached table within the last 14 days**, you will be tested for Covid-19 at the airport and will be quarantined in the accommodation of Japanese government. If you do not follow the instructions of the quarantine officer, you may be detained in accordance with the Quarantine Act.  
During the quarantine in the accommodation, you will be tested again. If the result is negative, you will leave the accommodation.

### (3) Submit written pledge

- You will need to submit a written pledge to remain at home, etc., not to use public transportation, to report your health conditions using the application, etc., to store your location information using a map application function, send your location information to Health Monitoring Center for Overseas Entrants upon their request, etc., during your quarantine period.
- If you violate the pledge, your name (name and nationality if you are non-Japanese) and information that contributes to the prevention of the spread of infection may be publicized.
- In addition to the above if you are a non-Japanese, you may be subject to revocation of status of residence and deportation etc. under the provisions of the Immigration Control and Refugee Recognition Act in case of the violation.
