The 39th JSP – AVLS - vWIN International session
(July 4, 2019)

Chairs:
Kathleen Gibson, Lake Washington Vascular, Bellevue, WA, USA
Sergio Gianesini, University of Ferrara, Ferrara, Italy
Takashi Yamaki, Tokyo Women’s Medical University Medical Center East, Tokyo, Japan
Makoto Mo, Yokohama Minami Kyosai Hospital, Yokohama, Japan

8:30 – 8:40 OPENING + Invited Talk **How valve treatment may replace vein treatment** by Johann Chris Ragg, Angioclinic Vein Centers, Berlin, Germany

FREE INTERNATIONAL ABSTRACT SESSION – ORAL (5min. Talk+3min. Discussion)
@ Hall B

8:40 – 8:45 **pH control, pillar for the closure of varicose ulcers**
– Luis René Arias Villarroel, Arias Medical Clinic, Xalapa, Mexico
8:45 – 8:48 Discussion

8:50 – 8:55 **Risk Factors for Post-thrombotic Syndrome in Patients with Deep Vein Thrombosis: From the COMMAND VTE Registry**
– Yuji Nishimoto, Hyogo Prefectural Amagasaki General Medical Center, Amagasaki, Japan
8:55 – 8:58 Discussion

9:00 – 9:05 **Clinical outcome of central venous catheter-related thrombosis placed in the internal and subclavian veins**
– Shingo Watanabe, Tokyo Yamate Medical Center, Tokyo, Japan
9:05 – 9:08 Discussion

9:10 – 9:15 **Clinical features of venous thrombosis of upper arm and examination of thrombotic form by ultrasonic evaluation**
– Sosuke Kishi, IMS Sapporo Digestive Disease Center General Hospital, Sapporo, Japan
9:15 – 9:18 Discussion

9:20 – 9:25 **Prophylactic anti-coagulation for possible venous thrombo-embolism after endo-venous thermal ablation to treat leg varicose veins**
– Isamu Kawase, Chiba Clinic for Varicose Veins, Chiba, Japan
9:25 – 9:28 Discussion

9:30 – 9:35 **A noninvasive skin evaluation method for lower limb lymphedema**
– Masaki Sano, Hamamatsu Medical University Hospital, Hamamatsu, Japan
9:35 – 9:38 Discussion

9:40 – 9:45 **Trends and outlook in the use of direct oral anticoagulants in the United States**
– Eri Fukuya, Stanford University, Stanford, CA, USA
9:45 – 9:48 Discussion

9:50 – 9:55 **Definite diagnosis of lymphedema using lymphatic echography**
– Hisako Hara, JR Tokyo General Hospital, Tokyo, Japan
9:55 – 9:58 Discussion

10.00 – 10.10 Open discussion
10.10 – 10.20 CLOSING + Invited Talk **Ultrasound features of the saphenous and sural nerves** by Felipe Caetano Mamprim, Dr. Felipe Mamprim Vein Clinic, Tubarão SC, Brazil
FREE INTERNATIONAL ABSTRACT SESSION – POSTER (2min.Talk+2min. Discussion)
@ Poster Exhibition Room

Selected Posters
10:30 – 10:32 Management of varicose ulcers with microcurrents
   – Luis René Arias Villarroel, Arias Medical Clinic, Xalapa, Mexico
10:32 – 10:34 Discussion

10:35 – 10:37 Strategy to prevent nerve injury and DVT in endovascular ablation of the saphenous veins: Novel pain management by Okamura pain scale (OPS)
   – Kenji Yamamoto, Okamura memorial hospital, Shunto-gun, Japan
10:37 – 10:39 Discussion

10:40 – 10:42 Deep vein thrombosis in patients with neuromuscular disease who underwent tracheotomy of positive pressure ventilation
   – Hidetaka Yamada, National Hospital Organization Yanai Medical Center, Yanai, Japan
10:42 – 10:44 Discussion

10:45 -10:47 Additional Catheter-directed thrombolysis for acute and subacute iliofemoral deep vein thrombosis under direct oral anticoagulants
   – Satoshi Kitahara, National Cerebral & Cardiovascular Center, Suita, Japan
10:47 – 10:49 Discussion

10:50 - 10:52 A Comprehensive Multidisciplinary Wound Center Approach to Venous Ulcers
   – Eri Fukaya, Stanford University, Stanford, CA, USA
10:52 – 10:54 Discussion

POSTER PRESENTATION@ Poster Exhibition Room

- Laser ablation of superficial tortuous veins using 1-ring radial fiber
  – Kazumi Nakamura, Kannai Medical Clinic, Yokohama, Japan
- New strategy of a filler glue for non-catheter based cyanoacrylate embolization with truncal vein reflux
  – Naoki Sakakibara, Edogawa Hospital, Tokyo, Japan
- What can we do in Japan with many natural disasters? - NARA Socks Project?
  – Takahiro Imai, Nishinokyo Hospital, Nara, Japan
- A case of soleal venous aneurysm complicated with pulmonary embolism
  – Yasuko Onakatomi, Department of Cardiovascular Surgery, Yokohama Minami Kyosai Hospital, Yokohama, Japan
- Subclavian Vein Venous malformation mimicking Venous Aneurysm
  – Nobuhiro Shimabukuro, Tomisiro Central Hospital, Tomigusuku, Japan
- A Systematic Review: Analysis of Circulating Biomarker Candidates for Abdominal Aortic Aneurysm
  – Radietya Alvarabie, Universitas Indonesia, Depok, Indonesia
