14:50-15:35  JSPN Presidential Lecture

Chairperson: Masatoshi Takeda  Aino University, Japan

PL1  The Integrated Perspective of Mental Illness
Toshifumi Kishimoto
Department of Psychiatry, Nara Medical University, Japan

15:45-16:45  JSPN Special Lecture 3

Chairperson: Hiroshi Yoneda  Department of Neuropsychiatry, Osaka Medical College, Japan

JSL3  A Neural Substrate for Impaired Cortical Network
Oscillations and Cognitive Dysfunction in Integration
Disorder: pathway to novel therapeutic interventions
David A. Lewis
Department of Psychiatry, University of Pittsburgh, USA

Thursday, June 4  Room F  (Osaka International Convention Center, 10F, 1003)

8:00-9:30  Symposium 1
Psychiatry in Asia: emerging trends in developing partnership and collaboration

Chairpersons: Afzal Javed  Pakistan Psychiatric Research Centre, Pakistan
Malcolm Hopwood  Royal Australian and New Zealand College of Psychiatrists, Australia

SY1-1  Historical Overview of the Treatment of Schizophrenia in Asia
Naotaka Shinfuku  Kobe University School of Medicine, Japan

SY1-2  Partnership and Collaboration among Asian Countries and Korea
Min-Soo Lee  Department of Psychiatry, College of Medicine, Korea University, Korea

SY1-3  Evolution of Psychiatric Training and Human-Based Care in Taiwan
Frank Huang-Chih Chou  Taiwanese Society of Psychiatry/Graduate Institute of Health Care, Meiho University/Kaohsiung Municipal Kai-Syuan Psychiatric Hospital, Taiwan
SY1-4  Challenges in Philippine Mental Health  
Maria Luz S. Casimiro-Querubin  
Philippine Psychiatric Association, Philippines/Ateneo de Manila University, Philippines

**9:40-11:10**  
**Symposium 3**  
Cognitive rehabilitation and supported employment for persons with schizophrenia

### Symposium 6

**14:00-15:30**  
**Disasters and addictive behaviors: experience of the great east Japan earthquake**

| Chairpersons | National Hospital Organization, Kurihama Medical and Addiction Center, Japan  
|--------------|------------------------------------------------------------------------------|
| Sachio Matsushita | National Hospital Organization, Hizen Psychiatric Center, Japan  
| Takefumi Yuzuriha | |

#### SY6-1

**Alcohol-Related Problems among Volunteer Firefighters in a Disaster Area Hit by a Huge Earthquake**

Tsuyoshi Takimura  
Kurihama Medical and Addiction Center, Japan

#### SY6-2

**Disasters and Addictive Behaviors: experience of the great east Japan earthquake**

Hiroshi Sakuma  
MHO Kurihama Medical and Addiction Center, Japan

#### SY6-3

**Our Support Activities in a Stricken Area—Overcome the Difficulties “Stigma of Alcohol Dependence”**

Tetsuji Cho  
Mie Prefectural Mental Medical Center, Japan

#### SY6-4

**Structuring the System of Brief Intervention for Alcohol-Related Problems in Disaster Areas**

Takahiro Fukuda  
National Hospital Organization Ryukyu Hospital, Japan

### Symposium 11

**15:40-17:10**  
**Consortium on academic child and adolescent psychiatry in the far east**

| Chairpersons | Institute of Psychiatry at King’s College London, UK  
|--------------|------------------------------------------------------------------|
| Dinesh Bhugra | The Association for the Improvement of Mental Health Programmes, Switzerland  
| Norman Sartorius | |

#### SY11-1

**Introduction to Consortium on Academic Child and Adolescent Psychiatry in the Far East**

Norbert Skokauskas  
Centre for Child and Youth Mental Health, NTNU, Norway/Trondheim, Norway

#### SY11-2

**Academic Child and Adolescent Psychiatry in Japan**

Masaru Tateno  
Tokiwa Child Development Center, Tokiwa Hospital, Sapporo, Japan/Department of Neuropsychiatry, Sapporo Medical University, Japan
Consortium on Academic Child and Adolescent Psychiatry in the Far East: Korean perspectives
Bung-Nyun Kim
Seoul National University Hospital, Korea

Academic Child & Adolescent Psychiatry in Singapore: an update
Say How Ong
Department of Child & Adolescent Psychiatry, Institute of Mental Health, Singapore/Child & Adolescent Mental Wellness Service, KK Women’s & Children’s Hospital, Singapore

Academic Child and Adolescent Psychiatry in Brunei Darussalam
Abang Bennett Taha
Department of Psychiatry, Raja Isteri Pengiran Anak Saleha Hospital, Brunei Darussalam

Thursday, June 4  Room K (Osaka International Convention Center, 12F, Conference Hall)
8:00-9:30  Symposium 2
Recent advancement of research and practice
Chairperson: Tsuyoshi Akiyama  NTT Medical Center Tokyo, Japan

SY2-1  <TBA>
Roy Abraham Kallivayalil
Department of Psychiatry, Pushpagiri Institute of Medical Sciences, India

SY2-2  Inpatient Rehabilitation Program for Sex Offenders in Psychiatric Hospital
Martin Hollý
Psychiatrická Nemocnice Bohnice, Czech Republic

SY2-3  <TBA>
Michelle B. Riba
Department of Psychiatry, University of Michigan, USA

9:40-11:10  Symposium 4
Challenges in the practice of psychiatry in the nowadays
Chairpersons: Edgard Belfort  Venezuelan Central University, Venezuela
Helen Herrman  Orygen, The National Centre of Excellence in Youth Mental Health, Australia

SY4-1  From the Perspective of Leadership
Dinesh Bhugra
Institute of Psychiatry at King’s College London, UK
From the Perspective of Educational Programs
Edgard Belfort
Venezuelan Central University, Venezuela

Focus on Education and Integrated Care Training
Michelle B. Riba
Department of Psychiatry, University of Michigan, USA

Ethics in Psychiatry
Afzal Javed
Pakistan Psychiatric Research Centre, Pakistan

11:20-12:05  Special Lecture 2
Chairperson: Nakao Iwata
Department of Psychiatry, Fujita Health University, Japan

Innovations in Women Centred Mental Health Care in the Community—an Indian Journey
Prabha S. Chandra
National Institute of Mental Health and Neurosciences, India

12:15-13:45  Leaders Round Table 1
Chairpersons: Dinesh Bhugra
Masatoshi Takeda
Institute of Psychiatry at King's College London, UK
Aino University, Japan

Can We Reform One of Poorest Mental Health Care in Europe?
Martin Holly
Psychiatrická Nemocnice Bohnice, Czech Republic

< TBA >
Emilio Sacchetti
Italian Psychiatric Society, Italy

Parity in Practice through “Choosing Wisely”
Sue Bailey
The Academy of Medical Royal Colleges, UK

[Commentator]
Wolfgang Gaebel
Department of Psychiatry and Psychotherapy, Heinrich-Heine-University Düsseldorf, LVR-Klinikum Düsseldorf, Germany

[Commentator]
Norman Sartorius
The Association for the Improvement of Mental Health Programmes, Switzerland
Symposium 7
The acute- and long-term mental health impact of various disasters around the world

<table>

</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Masaharu Maeda, Department of Disaster Psychiatry, Fukushima Medical University, School of Medicine, Japan</td>
</tr>
</tbody>
</table>

**SY7-1**
Long-Term Impact of Earthquake on Mental Health by Example of Gyumri City Population

Armen F. Soghoyan
Yerevan State Medical University, Armenia/Center of Psychosocial Regulation, Armenia

**SY7-2**
Risk Reduction Factors and the Community Mental Health Program in the Southern Insurgency

Burin Suraaroonsamrit
Department of Mental Health, Thailand

**SY7-3**
Psychosocial Consequences of Fukushima Disaster

Masaharu Maeda
Department of Disaster Psychiatry, Fukushima Medical University, School of Medicine, Japan

**SY7-4**
Sewol Ferry Accident and Disaster Mental Health in Korea

Jong-Woo Paik
Department of Psychiatry, Kyung Hee University College of Medicine, Korea

Symposium 12
Treatment of depressive disorder and bipolar disorder

<table>
<thead>
<tr>
<th>Chairpersons:</th>
<th>Norio Ozaki, Department of Psychiatry, Nagoya University Graduate School of Medicine, Japan</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>Tsuyoshi Akiyama, NTT Medical Center Tokyo, Japan</td>
</tr>
</tbody>
</table>

**SY12-1**
Plasma Lamotrigine Levels and Bipolar Depression

Takeshi Terao
Oita University Faculty of Medicine, Japan

**SY12-2**
Treatment of Depressive Disorder in Japan: current situation and vision for the future

Nobuhiro Sugiyama
Department of Psychiatry, School of Medicine, Shinshu University, Japan

**SY12-3**
Are Unmedicated Bipolar II Depressed Individuals Cognitively Impaired?

Arthur Dp Mak
Department of Psychiatry, Faculty of Medicine, The Chinese University of Hong Kong, Hong Kong, China
Treatment of Depressive Disorder and Bipolar Disorder in Australia and New Zealand
Malcolm Hopwood
Royal Australian and New Zealand College of Psychiatrists, Australia

Symposium 15
Somatic symptom disorders: clinical feature, medical assessment, diagnosis

Chairpersons: Hitoshi Miyaoka, Kumiko Muramatsu
Kitasato University School of Medicine, Japan
Graduate School of Niigata Seiryo University, Japan

Somatic Symptom Disorders and DSM 5
Arthur J. Barsky
Brigham & Women’s Hospital, Harvard Medical School, USA

Alexithymia and Coping Strategy in Patients with Somatic Symptom Disorder
Toshiyuki Tominaga
Department of Psychiatry, Graduate School of Medical Science, Kyoto Prefectural University of Medicine, Japan

The Prevalence and Quality of Life of Somatoform Disorder in Japanese Patients
Kumiko Muramatsu
Department of Clinical Psychology, Graduate School of Niigata Seiryo University, Japan

How Can We Deal with Functional Somatic Symptoms?: somatic symptom disorder in South Korea
Hye Yoon Park
Department of Neuropsychiatry, Seoul National University Hospital, Korea/Psycho-oncology Center, Seoul National University Cancer Hospital, Korea

Thursday, June 4  Room L (Osaka International Convention Center, 12F, 1202)

Fellowship Award Symposium 1
Focusing on the link between non-psychiatric hospitals/clinics and psychiatric emergency service

Chairpersons: Helen Herrman, Satona Saito
Orygen, The National Centre of Excellence in Youth Mental Health, Australia
Department of Neuropsychiatry, Graduate School of Medicine, University of the Ryukyus, Japan/Japan Young Psychiatrists Organization (JYPO), Japan

FS1-1
Psychiatric Emergency Service in Thailand
Pichai Ittasakul
Department of Psychiatry, Faculty of Medicine, Ramathibodi Hospital, Thailand
FS1-2  Psychiatric Emergency Services in Malaysia: challenges in a multi-racial, multi ethnic community
Gurdeep S. Grewal
Department of Psychiatry and Mental Health, Hospital Tengku Ampuan Rahimah, Malaysia

FS1-3  Emergency Psychiatric Services in England
Karl Scheeres
University of Bristol, School of Community Medicine, UK

FS1-4  Emergency Psychiatric Services in Japan
Ryuhei So
Okayama Psychiatric Medical Center, Japan/Japan Young Psychiatrists Organization (JYPO), Japan

<Coordinators> Tsuyoshi Akiyama: NTT Medical Center Tokyo, Japan
Jun Iwatani: Mental Health Clinic Si Può Fare, Japan/Japan Young Psychiatrists Organization (JYPO), Japan
Satona Saito: Department of Neuropsychiatry, Graduate School of Medicine, University of the Ryukyus, Japan/Japan Young Psychiatrists Organization (JYPO), Japan

9:40-11:10  Symposium 5
Young researchers symposium on obsessive-compulsive disorder: biological topics

<table>
<thead>
<tr>
<th>Chairpersons: Takashi Nakamae</th>
<th>Department of Psychiatry, Graduate School of Medical Science, Kyoto Prefectural University of Medicine, Japan</th>
</tr>
</thead>
</table>
| Tomohiro Nakao                | Department of Neuropsychiatry, Graduate School of Medical Sciences, Kyushu University, Japan

SY5-1  Excessive Effects from the Orbitofrontal Cortex to the Striatum in Obsessive-Compulsive Disorder
Yoshinari Abe
Department of Psychiatry, Graduate School of Medical Science, Kyoto Prefectural University of Medicine, Japan

SY5-2  Evaluation of Executive Function and Hemodynamic Changes Using NIRS in Patients with OCD
Keiichiro Mukai
Hyogo College of Medicine, Japan

SY5-3  The Association of Serotonin and/or Dopamine System Genes and Gray Matter Volume in OCD
Shinichi Honda
Department of Neuropsychiatry, Graduate School of Medical Sciences, Kyushu University, Japan
New Conceptualizations of Obsessive–Compulsive Disorder: the behavioral addiction model
Giacomo Grassi
University of Florence, Italy

11:20-12:05 Special Lecture 3
Chairperson: Norman Sartorius
Association for the Improvement of Mental Health Programmes, Switzerland

The Concept of Schizophrenia and Recovery
Mitsumoto Sato
Tohoku University, Japan

14:00-15:30 Symposium 8
New innovative technologies in psychogeriatry
Chairpersons: Jerzy W. Leszek
Department of Psychiatry, Wroclaw Medical University, Poland
Ramon Cacabelos
Department of Genomic Medicine, Camilo Jose Cela University, Spain

Innovation of Laser Micro Dissection System for the Psychogeriatric Study
Naomi Hachiya
Department of Neurophysiology, Tokyo Medical University, Japan

Whole-Body Cryotherapy as an Adjunct Treatment Modality in Geriatric Psychiatry
Andrzej Kiejna
Department of Psychiatry, Wroclaw Medical University, Poland

Drug Nanocrystal Technology for a Current Drug Therapy: a potential tool for psychogeriatry
Koichi Baba
Department of Visual Regenerative Medicine, Osaka University Graduate School of Medicine, Japan

Pharmacogenetics of Psychotropic Drugs: the UCJC pharmacogenetic card for personalized treatment
Ramon Cacabelos
Department of Genomic Medicine, Camilo Jose Cela University, Spain
15:40-17:10  Fellowship Award Symposium 2  
Focusing on difficult cases encountered in psychiatric emergency services

Chairpersons: Paul Summergrad  
Yuka Kudo

- Tufts Medical Center, USA  
- Keio University, Japan/Gunma Hospital, Japan/Japan  
- Young Psychiatrists Organization (JYPO), Japan

FS2-1  
Psychiatric Emergency Service in Nigeria: its design and impact on mental health gap  
Andrew T. Olagunju  
Department of Psychiatry, College of Medicine, University of Lagos, Nigeria

FS2-2  
Psychiatric Emergency Services in Thailand  
Sirijit Suttajit  
Department of Psychiatry, Chiang Mai University, Thailand

FS2-3  
Psychiatric Emergency Services in Iran Focused on Community Based Services  
Amir H. Jalali Nadoushan  
Department of Psychiatry, Iran University of Medical Scinces, Iran

FS2-4  
Psychiatric Emergency Services in Japan  
Sho Fukushima  
National Hospital Organization Hizen Psychiatric Center, Japan/Japan  
Young Psychiatrists Organization (JYPO), Japan/Nagasaki University Hospital, Japan

<Coordinators>  
Tsuyoshi Akiyama: NTT Medical Center Tokyo, Japan  
Masuo Tanaka: Koryo Hospital, Japan/Japan  
Young Psychiatrists Organization (JYPO), Japan  
Yuka Kudo: Keio University, Japan/Gunma Hospital, Japan/Japan  
Young Psychiatrists Organization (JYPO), Japan

17:20-18:50  Symposium 16  
How can we improve consultation liaison psychiatry?

Chairpersons: Tsuyoshi Akiyama  
Paul Summergrad

- NTT Medical Center Tokyo, Japan  
- Tufts Medical Center, USA

SY16-1  
Overview  
Paul Summergrad  
American Psychiatric Association/Dr. Frances S Arkin Professor and Chairman/Department of Psychiatry, Tufts University School of Medicine, Tufts Medical Center, USA

SY16-2  
Models of Outpatient Training in Consultation-Liaison Psychiatry (Psychosomatic Medicine)  
Michelle B. Riba  
Department of Psychiatry, University of Michigan, USA
### SY16-3

**Psycho-Rheumatology: collaboration in care and research**  
Katsuji Nishimura  
Department of Psychiatry, Tokyo Women's Medical University School of Medicine, Japan

### SY16-4

**Challenge of Consultation and Liaison Psychiatric Service in Indonesia, How Can We Improve It?**  
Andri Andri  
Faculty of Medicine, Krida Wacana Christian University, Indonesia

### Thursday, June 4  Room M  (Osaka International Convention Center, 8F, 801+802)

| 14:00-15:30 | **Symposium 9**  
Young researchers symposium on obsessive-compulsive disorder: clinical and therapeutic topics |
|---|---|
| **Chairpersons:** Takashi Nakamae  
Hisato Matsunaga | Department of Psychiatry, Graduate School of Medical Science, Kyoto Prefectural University of Medicine, Japan  
Department of Neuropsychiatry, Hyogo College of Medicine, Japan |

### SY9-1

**Necessary Assessment Tools for Obsessive Compulsive Disorder in Clinical Settings**  
Thanita Hiranyatheb  
Department of Psychiatry, Faculty of Medicine, Ramathibodi Hospital, Mahidol University, Thailand

### SY9-2

**A 10-Year Prospective and Consecutive Follow-Up Study of Patients with Obsessive–Compulsive Disorder**  
Akihiro Nakajima  
Hyogo College of Medicine, Japan

### SY9-3

**Neural Basis of Behavior Therapy in Obsessive–Compulsive Disorder**  
Nobuhiko Hashimoto  
Department of Psychiatry and Cognitive–Behavioral Medicine, Nagoya City University Graduate School of Medical Science, Japan

### SY9-4

**Neural Basis of the Socratic Questioning as a Therapeutic Method for Cognitive Restructuring**  
Chihiro Sutoh  
Department of Cognitive Behavioral Physiology, Graduate School of Medicine, Chiba University, Japan/Center for Charged Particle Therapy, National Institute of Radiological Sciences, Japan
**Symposium 13**  
Clinical use of robots for individuals with child and adolescent psychiatric disorders

<table>

Takahiro Nemoto
Toho University School of Medicine, Japan

Friday, June 5  Room N (Osaka International Convention Center, 11F, 1101 + 1102)

14:00-15:30  Symposium 25
Mental health epidemiology for policy development regarding mental health issues

Chairpersons: Tadashi Takeshima
Frank Huang-Chih Chou
National Center of Neurology and Psychiatry, Japan
Taiwanese Society of Psychiatry/Graduate Institute of Health Care, Meijo University/Kaohsiung Municipal Kai-Syuhan Psychiatric Hospital, Taiwan

SY25-1
Epidemiologic Studies on Alcohol and the Basic Act for Measures against Alcohol-Related Health Harm
Sachio Matsushita
National Hospital Organization, Kurihama Medical and Addiction Center, Japan

SY25-2
Homeless People with Mental Illness in Japan
Tsuyoshi Okamura
University of Tokyo, Japan

SY25-3
Epidemiological Studies on Fatal/Non-Fatal Suicidal Behavior and Suicide Prevention Policy in Japan
Takashi Yamauchi
Center for Suicide Prevention, National Institute of Mental Health, National Center of Neurology and Psychiatry, Japan

SY25-4
Development of Suicide Prevention Research of Kaohsiung City in Taiwan
Wei-Jen Chen
Kaohsiung City Municipal Kai-Syuhan Psychiatric Hospital, Taiwan/Graduate Institute of Counselling Psychology and Rehabilitation Counseling/National Kaohsiung Normal University, Taiwan
### Symposium 30

**Mental health epidemiology for various populations**

#### SY30-1

**Kokoro-No Care for School Children after the Great East Japan Earthquake in Sendai city**

Yuriko Suzuki  
National Center of Neurology and Psychiatry, Japan

#### SY30-2

**Mental Health Epidemiology in Injured Patients**

Daisuke Nishi  
National Center of Neurology and Psychiatry, Japan

#### SY30-3

**Epidemiological Studies on Mental Health among the Elderly**

Asuka Koyama  
Department of Neuropsychiatry, Kumamoto University, Japan

#### SY30-4

**Epidemiological Studies on Mental Health and Suicide in South Korea**

Jong-Woo Paik  
Department of Psychiatry, Kyung Hee University College of Medicine/Korean Psychological Autopsy Center, Korea

### Symposium 34

**How to understand drug-induced extrapyramidal symptom in the era of second generation antipsychotics**

<p>| | |</p>

#### SY34-1

**The DIEPSS: beyond the Eurasian continent and the Pacific Ocean**

Toshiya Inada  
Institute of Neuropsychiatry, Seiwa Hospital, Japan

#### SY34-2

**Importance of Evaluating EPS in Clinical Trials for the Next Generation of Non-Dopaminergic Agents**

Ken Inada  
Department of Psychiatry, Tokyo Women's Medical University, Japan

#### SY34-3

**The Subjective Experience of Drug Induced EPS and Their Interaction with Psychopathology**

Yong Sik Kim  
Department of Psychiatry, Dongguk University Ilsan Hospital, Korea

#### SY34-4

**Neuroleptic-Induced Extrapyramidal Symptoms and the Treatment in Clinical Practice**

Jun Horiguchi  
Shimane University, Japan

Department of Psychiatry, Taichung Veterans General Hospital, Taiwan

**P2-11-4** Basal Ganglia Correlates of Chronic Fatigue in Young Adults  
Seishu Nakagawa  
Department of Functional Brain Imaging, Institute of Development, Aging and Cancer, Tohoku University, Japan

**P2-11-5** A Longitudinal Study on Volume Changes of Basal Ganglia in Individuals with at Risk Mental State  
Naoyuki Katagiri  
Department of Neuropsychiatry, Toho University School of Medicine, Japan
Saturday, June 6  Room A  (Osaka International Convention Center, 5F, Large Hall)

10:10-11:10  **JSPN Special Lecture 8**

Chairperson: **Junzo Iida**  Department of Nursing, Nara Medical University, Japan

**JSL8**

*Directions in Medical Education: longitudinal integrated (parallel) medical student clerkships*

Lowell Tong  
Department of Psychiatry, UCSF School of Medicine, USA

11:20-12:05  **Keynote Lecture 3**

Chairperson: **Masafumi Mizuno**  Toho University, Japan

**KL3**

*Constructing a Level Playing Field for Access to Mental Health Care for Everyone in the World in a 21st Century Setting*

Anand Satyanand  
19th Governor-General of New Zealand, New Zealand/Chair of the Commonwealth Foundation, UK

---

Saturday, June 6  Room F  (Osaka International Convention Center, 10F, 1003)

8:00-9:30  **Symposium 35**  
Towards recovery and inclusion in disorders of mental health

Chairpersons: **Tsuyoshi Akiyama**  NTT Medical Center Tokyo, Japan  
**Wolfgang Gaebel**  Department of Psychiatry and Psychotherapy, Heinrich-Heine-University Düsseldorf, LVR-Klinikum Düsseldorf, Germany

**SY35-1**  
*Recovery in Schizophrenia—How Can It Be Achieved?*

Wolfgang Gaebel  
Department of Psychiatry and Psychotherapy, Heinrich-Heine-University Düsseldorf, LVR-Klinikum Düsseldorf, Germany

**SY35-2**  
*What Is Effect of Introduction of Recovery in Japan?*

Naoko Satake  
National Center Hospital of Neurology and Psychiatry, Japan

**SY35-3**  
*Re-Work, Holistic Recovery and Partnership*

Tsuyoshi Akiyama  
NTT Medical Center Tokyo, Japan
Consumer’s Involvement in Decision Making for Recovery
Tae-Yeon Hwang
WHO Collaborating Centre for Psychosocial Rehabilitation and Community Mental Health, Yongin Mental Hospital, Korea

9:40-11:10  Symposium 38
Mood disorders in children and adolescents

Chairpersons: Satoshi Kato  Department of Psychiatry, Jichi Medical University, Japan
Norbert Skokauskas  Centre for Child and Youth Mental Health, NTNU, Norway

SY38-1  Mood Disorders in Children and Adolescents in Japan
Takaaki Abe
Department of Psychiatry, Jichi Medical University, Japan/Child Psychiatry, Jichi Children’s Medical Center Tochigi, Japan

SY38-2  Phenomenology and Longitudinal Course to Discriminate Pediatric Bipolar Spectrum Disorders from ADHD
Regina Sala
Department of Child and Adolescent Psychiatry, Institute of Psychiatry, Psychology and Neuroscience (IoPPN), King’s College London, UK

SY38-3  Overlap between Autism Spectrum Disorder and Bipolar Affective Disorder
Norbert Skokauskas
Centre for Child and Youth Mental Health, NTNU, Norway

SY38-4  Early Intervention in Autism Spectrum Disorder as Prevention of Secondary Mood Disorders
Hideo Honda
Mental Health Clinic for Children, Shinshu University Hospital, Japan

11:20-12:05  Special Lecture 7

Chairperson: Emi Ikebuchi  Department of Psychiatry, Teikyo University School of Medicine, Japan

SL7  Cognitive Enhancement and Supported Employment for People with Serious Mental Illness: current status and future directions
Susan R. McGurk
Center for Psychiatric Rehabilitation, Boston University, USA
Saturday, June 6  Room K  (Osaka International Convention Center, 12F, Conference Hall)

8:00-9:30  Symposium 36
ADHD and comorbidity—symptom profiles and its management in children and adults

Chairpersons: Aravind Vaithiyam  Ram Psychiatry Hospital, India
             Takahiko Inagaki  Department of Community Psychiatric Medicine, Shiga University of Medical Science, Japan

SY36-1  ADHD and Comorbidity—Diagnostic Challenges and Its Management in Children and Adults
Aravind Vaithiyam  Ram Psychiatry Hospital, India

SY36-2  ADHD An Evolutionary Perspective till DSM 5
Sujai Subramanian  Aashiana Psychiatric Care Hospital, India/Indian Psychiatric Society, India

SY36-3  ADHD and Co Morbid Depression in Adults and its Management
Takahiko Inagaki  Department of Community Psychiatric Medicine, Shiga University of Medical Science, Japan

9:40-11:10  Symposium 39
Internet addiction and other behavioral addiction in Asia

Chairpersons: Tomohiro Shirasaki  Department of Psychiatry, Teine Keijinkai Hospital, Japan/Department of Neuropsychiatry School of Medicine Sapporo Medical University, Japan
             Toshikazu Saito  Psychiatry Institute, Hokujinkai Medical Corporation, Japan/Department of Neuropsychiatry, Sapporo Medical University, Japan
             Masaru Tateno  Tokiwa Child Development, Tokiwa Hospital, Japan

SY39-1  Latest Research on Behavioral Addiction in Taiwan
Chiachun Hung  Taichung Veterans General Hospital, Department of Psychiatry, Taiwan/National Yang–Ming University, Institute of Brain Science, Taiwan/Taiwan Society of Addiction Science, Taiwan

SY39-2  Behavioral Addictions and Related Problems in Japan: internet, gambling and social problems
Tomohiro Shirasaki  Department of Psychiatry, Teine Keijinkai Hospital, Japan/Department of Neuropsychiatry School of Medicine Sapporo Medical University, Japan
Asian Partnership in the World

SY39-3 Internet and Game Addiction: challenge behavioral problems in adolescents
Woraphat Ratta-apha
Department of Psychiatry, Faculty of Medicine Siriraj Hospital, Mahidol University, Thailand

SY39-4 Impulsivity in Behavioural Addiction: lesson learned from the cases of Parkinson’s disease and ADHD
Hazli Zakaria
Department of Psychiatry, National University of Malaysia Medical Center, Malaysia

11:20-12:05 Special Lecture 8

Chairperson: Jun Nakamura
Department of Psychiatry, University of Occupational and Environmental Health, Japan

SL8 Anti-Stigma Movements in the Age of Neuroscience —What Has Been Achieved and Where to Go?
Wolfgang Gaebel
Department of Psychiatry and Psychotherapy, the Heinrich–Heine University LVR–Klinikum Duesseldorf, Germany

Saturday, June 6 Room L (Osaka International Convention Center, 12F, 1202)

8:00-9:30 Symposium 37
The current issues of addiction in Asian countries

Chairpersons: Toshikazu Saito
Psychiatry Institute, Hokusinkai Medical Corporation, Japan/Department of Neuropsychiatry, Sapporo Medical University, Japan

Tetsuji Cho
Mie Prefectural Mental Medical Center, Japan

SY37-1 The Current Issues of Addiction in Korea
Sam-Wook Choi
Department of Psychiatry, Gangnam Eulji Hospital, Eulji University, Korea

SY37-2 The Multicenter Study about the Alcohol-Dependent Inpatients with Psychiatric Comorbidities in Japan
Masuo Tanaka
Department of Psychiatry, Koryo Hospital, Japan/Zikei Hospital, Japan/Zikei Institute of Psychiatry, Japan

SY37-3 Current Addiction Issues in Thailand: from research to policy
Sawitri Assanangkornchai
Faculty of Medicine, Prince of Songkla University, Thailand
SY37-4  New Insight into Alcohol Induced Psychosis: from bench to clinic in Taiwan
Wei-Ling Chen
Taichung Veterans General Hospital, Department of Psychiatry, Taiwan

9:40-11:10  Symposium 40
Supporting the lives of elderly people in East Asia
