Instructions for Data Submission

For various manuals and submission data templates

Click

① Please submit your data in PDF format.

- When submitting PowerPoint data, text or character misalignment may occur.

② Printed size will be adjusted to 900 mm × 1800 mm.

- As a rule, we do not edit or correct submitted files.
- Even if you bring separate materials such as presentation numbers, titles, or affiliation hospital, they can be included within the poster.
- Submitted data will be enlarged from 900 mm × 1800 mm for printing.
- Margins of 24.5 mm will be automatically adjusted.
- COI (Conflict of Interest) information can also be included within the poster.

③ Please include the file name in the format: [Presentation Number] + [Presenter Name]

- Due to layout constraints involving data submission, poster placement, and presentation order, your cooperation is required.
- If the presentation number is not included, the poster cannot be displayed. Please make sure to include it.
