

The 77th Annual Scientific Meeting of the Japanese Association for Thoracic Surgery

As of October 24, 2024

Day 1 : Friday, November 1, 2024

AATS/JATS
Joint Session

E English Session

Cardiac Lung Esophagus Oral Rapid Fire AATS/JATS Joint Session

★ To be delivered on-demand after the meeting
 IL : Invited Lecture
 E English Session

				7:00		8:00		9:00		10:00		11:00		12:00		13:00		14:00		15:00		16:00		17:00		18:00																																	
				0	10	20	30	40	50	0	10	20	30	40	50	0	10	20	30	40	50	0	10	20	30	40	50	0	10	20	30	40	50																										
Room	Place	Floor	Venue																																																								
Room 1	Ishikawa Ongakudo	2 F	Concert Hall																																																								
Room 2	Ishikawa Ongakudo	2 F	Hougaku Hall																																																								
Room 3	ANA Crowne Plaza Hotel Kanazawa	3 F	Ootori - west	AATS/JATS Mitral Conclave Focusing on the Trainee		JATS-NEXT Mitral Conclave Award Session		AATS/JATS Mitral Conclave Focusing on the Trainee		Mitral Conclave Toolbox I: Anatomy in Mitral Valve Plasty Sponsored by Edwards Lifesciences Japan LLC		AATS/JATS Mitral Conclave Focusing on the Trainee		Mitral Conclave Toolbox II: How to Deal with Complications		Oral Cardiac 2 Congenital/ Miscellaneous 1		Luncheon Seimnar 3		Edwards Lifesciences Japan LLC		Workshop Cardiac 2		Reconstruction of central pulmonary artery		Workshop Cardiac 4		Management for blind-end ventricle		Afternoon seminar 3		KM Biologics Co., Ltd. / Japan Blood Products Organization		Oral Cardiac 7 Valve/ Mitral																									
Room 4		Rapid Fire Booth C	3 F	Ootori - east	6:30-7:45																																																						
		Rapid Fire Booth D																																																									
	Rapid Fire Booth E																																																										
Room 5		3 F	Kujaku AB	Symposium Cardiac 2		IL 3 Malakh Shrestha		Medium-term results after Frozen elephant trunk (FET) arch replacement for acute type A dissection - is there an improvement in prognosis?		Sponsored Symposium		Co-sponsor by MEDTRONIC JAPAN CO., LTD.		Oral Lung 1 Pleura/ Chest wall and thorax/ Salvage surgery		Luncheon Seminar 4		Asahi Kasei Medical Co.,Ltd. / GUNZE MEDICAL Ltd.		Debate Lung 1		Strategy of for the patients with lung cancer invading chest wall resection		Panel Discussion Lung 2		Thymic epithelial tumors: multimodality therapy for metastatic or advanced tumors and new treatments						Clinical Video Session Lung 1 Mediastinum/ Inflammatory lung diseases/ Miscellaneous																											
Room 6				Kujaku C																																																							
Room 7		4 F	Tsuru A	JATS-JSMP Joint Symposium		開心術の温度管理と心筋保護		Video Workshop Cardiac		IL 5 Bob Kiaii		Minimally invasive internal mammary artery harvesting technique ~beyond the open LITA harvesting~		Oral Cardiac 4 Valve/ MICS/ Robotics		Lunchen Seminar 6		Cook Medical Japan G.K.		Workshop Cardiac 3		Left atrial volume reduction surgery; Verification of procedure and effectiveness		Workshop Cardiac 5		IL 9 Takahiro Tamura		The up-to-dates on strategies of hemostasis in cardiovascular surgery		Afternoon seminar 6		Haemonetics Japan GK		Oral Cardiac 8 Experiment																									
Room 8				Tsuru B	Panel Discussion Lung 1		Is it possible to standardize perioperative management of lung transplantation?		Video Workshop Lung 1		Surgery for lung cancer invading the adjacent organs		Oral Lung 2 Perioperative management and complications and high-risk patients		Luncheon seimnar 7		Intuitive Surgical G.K.		Workshop Lung 1		Neoadjuvant immune checkpoint inhibitor +chemotherapy for locally advanced NSCLC. -The indication and pitfall-		Workshop Lung 2		Current status and prospects of pediatric thoracic organ transplantation		Afternoon seminar 7		Abiomed Japan K.K.		Oral Cardiac 9 Development/ Regenerative medicine																												
Room 9	Rapid Fire Booth F	4 F	Tsuru C																																																								
	Rapid Fire Booth G																																																										
	Rapid Fire Booth H																																																										
Room 10	Rapid Fire Booth A	Ishikawa Ongakudo	B 1 F	Koryu Hall																																																							
	Rapid Fire Booth B																																																										
				0	10	20	30	40	50	0	10	20	30	40	50	0	10	20	30	40	50	0	10	20	30	40	50	0	10	20	30	40	50																										
				7:00	8:00					9:00					10:00					11:00					12:00					13:00					14:00					15:00					16:00					17:00					18:00
