

[JCS2023]Day1 : March 10 (FRI), 2023

E English Presentation

Venu	Number	Room	Fl.	7:00 8:00 9:00 9:30 9:40 10:00 # 11:00 11:10 12:00 13:00 13:30 14:00 15:00 16:00 17:00 17:30 18:00 18:40 19:00 20:00																																																																							
Fukuoka Sunpalace	Room 1	Main Hall	2F																																																																								
	Room 2	Palace Room A		[OE01] Ventricular arrhythmia 1	[OE08] Shock	[OE12] Pulmonary circulation 2	[OE14] Structural Heart Disease 1	[OE18] Atrial substrate 1																																																																			
	Room 3	Palace Room B																																																																									
	Room 4	Heian		[OE02] HF diagnosis	[OE09] Pulmonary circulation 1	[OE13] ECG	[OE15] Atherosclerosis Clinical 1	[OE19] Nuclear cardiology/CT /MRI 1	[OE23] AF ABL 2																																																																		
Fukuoka International Congress Center	Room 5	Main Hall	3F																																																																								
	Room 6	201	2F																																																																								
	Room 7	202																																																																									
	Room 8	203																																																																									
	Room 9	204		[OE03] AF ABL 1	[PL1] Future perspective of comprehensive CLTI management	[FRS1] Cohort study	[FRS2] EP																																																																				
	Room 10	409+410																																																																									
	Room 11	413+414	4F																																																																								
	Room 12	411		[OE04] Heart failure Pathophysiology																																																																							
	Room 13	412		[OE05] Cardiomyopathy basic 1	[OE10] AF thrombosis	[OE16] CCS 1	[OE21] PCI Prognosis																																																																				
	Room 14	501		[SS1] Cutting-edge therapeutic strategies targeting inflammation																																																																							
Marine Halls (A) Fukuoka	Room 15	502	5F	[OE06] Vascular Biology Basic	[OE11] AF HF	[OE17] HF CRT/ICD 1	[OE22] Structural Heart Disease 2																																																																				
	Room 16	503	[OE07] Catheter ablation																																																																								
	Room 17	Large Meeting Room	2F																																																																								
Marine Halls (B) Fukuoka	Room 18	Meeting Room 2	3F																																																																								
	Room 19	Sub-Arena		[PL6] Home monitoring, advanced heart failure, destination therapy, palliative care																																																																							
	Room 20	Arena		[PL7] Diagnostic Imaging for Heart Failure																																																																							
Marine Halls (B) Fukuoka	Room 21	Arena	1F																																																																								
	Room 22	Meeting Room 1	2F																																																																								
	Room 23	Meeting Room 2																																																																									
	Case Report Session 1	Arena		[CROE1] Heart failure	[CROE2] Cardiomyopathy	[CROE3] Chronic CAD	[CROE4] Acute Coronary Syndrome																																																																				
	Case Report Session 2	Arena	1F																																																																								
(AMF)	Poster Area A	Arena	1F																																																																								
	Poster Area B	Arena	1F																																																																								

[JCS2023]Day 2 : March 11 (SAT), 2023

Fukuoka Sunpalace	Room 1	MainHall	2F		[PL14] Aortic Aneurysm and Aortic Dissection From Bench to Bedside																		
	Room 2	Palace Room A			[OE52] Resuscitation	[OE55] ACS Clinical 1		[FRS6] HF 2															
	Room 3	Palace Room B				ME9 (ACHD) Palliative care in adult congenital heart disease		[SS6] (ACHD) Recent advance in repaired TOF															
	Room 4	Heian			[OE53] CIED			[OE57] Artificial intelligence															
Fukuoka International Congress Center	Room 5	MainHall	3F		[HL] Hot-line Session					[LS46] sponsored by Nippon Boehringer Ingelheim Eli Lilly Japan								[SATO] Japan Heart Foundation Satoh Memorial Award Lecture					
	Room 6	201		[MS02] sponsored by Roche-Diagnostics							[OE58] EP New Technology												
	Room 7	202							[SS7] Pathophysiology, Diagnosis, and Treatments of Pulmonary hypertension and Right-Sided Heart Failure														
	Room 8	203			[SY19] Roles of mechanical circulatory devices in cardiac intensive care													[OE59] HF clinical non-pharmacology					
	Room 9	204																[OE61] ACS Clinical 2					
	Room 10	409+410			[ESC-JCS] QilqiaJoint Symposium Best Case Scenarios of Tricuspid Valve Treatment ★JCS-ESC★			[PL16] New Evidence and Advanced Technology in Implantable Cardiac Electrical Device Therapy			[FRS7] PH	[FRS8] SHD/Echo	[OE62] Heart failure										
	Room 11	413+414			[ASIA2] Asian Pacific Grants for Innovated Research Plan Competition (Clinical/Basic)	[OCC-JCS] OCC Joint Symposium		[JIYC] JIYC Original Session Multimodality imaging of myocardial viability in ischemic cardiomyopathy										[OE63] PCI DES					
	Room 12	411			[OE54] AF ABL 3	[OE56] AF registry study												[OE60] Cardiomyopathy basic 2					
	Room 13	412																					
	Room 14	501	5F		[PL15] Molecular mechanisms underlying the development of HFpEF	IL6 (梅澤誠樹) Curt D. Sigmund		IL8 (心不全) Nir Uriel	IL9 (心不全) John J.V. McMurray														
Room 15	502																						
Room 16	503																						
Marine Hall (A) Fukuoka	Room 17	Large Meeting Room	2F							[SY21] What is the ideal management of CCS patients in diagnosis and treatment?			[PL17] Current status and future of regenerative medicine in cardiovascular disease										
	Room 18	Meeting Room 2			[FCR 2] Featured Case Reports 2																		
	Room 19	Sub-Arena	3F																				
	Room 20	Arena	1F																				
Marine Messe Fukuoka Hall (B)	Room 21	Arena	1F																				
	Room 22	Meeting Room 1	2F																				
	Room 23	Meeting Room 2																					
	Case Report Session 1	Arena	1F																				
	Case Report Session 2	Arena																					
Case Report Session 3	Arena																						
(AMF)	Poster Area A	Arena	1F		Poster Posting 7:30-8:30		Poster Presentation / Discussion	PE 47 - 57				PE 62 - 67	Poster Presentation / Discussion		Removal 16:00-17:00								
(BMF)	Poster Area B				Poster Posting 7:30-8:30		Poster Presentation / Discussion	PE 58 - 61				PE 68- 70	Poster Presentation / Discussion		Removal 16:00-17:00
