

Program Schedule Day 1 September 11 [Fri]

Kobe International Exhibition Hall					
Room 1 Building No. 2 1F Convention Hall North	Room 2 Building No. 1 2F Exhibition Hall A	Room 3 Building No. 1 2F Exhibition Hall B	Room 4 Building No. 2 2F Meeting Room 2A	Room 5 Building No. 2 3F Meeting Room 3A	Board Meeting Room / Rest Area / Hands-on Seminar Building No. 2 3F Meeting Room 3B
8:00	AI translation			AI translation	
		Sessions highlighted in BLUE : Sessions eligible for AI translation (JP → EN) Sessions highlighted in GREEN : Sessions eligible for AI translation (EN → JP) JSDR : JSDR Certified Dysphagia Rehabilitation Practitioner Credit-Eligible Sessions : On-demand Streaming			
9:00					
10:00			10:00-13:00		
11:00			2026 Leadership Training Program in Patient-Centered Team-Based Healthcare (Pre-registered participants only)		
12:00				11:30-14:15	
13:00				13th Hands-on Endoscopic Swallowing Assessment (Pre-registered participants only)	13:00-14:30
14:00					Board Meeting
15:00	15:00-16:00				
	General Assembly				
16:00	16:00-16:10	Opening Ceremony			
16:15-17:15	16:15-17:45	16:15-17:25	16:15-17:25	16:15-16:55	
Educational Lectures 1.2 State of the Art: Dysphagia Rehabilitation	Symposium 1 Toward an Era of Nutritionally Enhanced Dysphagia Diets	Oral Session 1 Convalescent phase [01] 1~7	Oral Session 3 End-of-Life Care 1 [03] 1~7	Overseas Invited Lecture 1 Delivery and Efficacy of Respiratory Swallow Training (RST): A Skill-Based Intervention for Dysphagia Rehabilitation	
17:00				17:00-17:40	
				Overseas Invited Lecture 2 The impact of aspiration on lung health	17:10-18:00
17:25-18:25	17:55-18:25	17:25-18:25	17:25-18:25	17:45-18:25	Hands-on Seminar 1 (Pre-registered participants only) Strengthening the Pharynx! A Hands-on sRED Workshop
Educational Lectures 3.4 State of the Art: Videoendoscopic evaluation of swallowing and speaking	Educational Lecture 5 State of the Art: ICF	Oral Session 2 Exercise 1 [02] 1~6	Oral Session 4 Pediatrics 1 [04] 1~6	Overseas Invited Lecture 3 Generative Artificial Intelligence in Dysphagia: Implications for Future Clinical Practice	
18:00					

Program Schedule Day 2 September 12 [Sat]

Kobe International Exhibition Hall					Kobe Portopia Hotel	
Room 1 Building No. 2 1F Convention Hall North	Room 2 Building No. 1 2F Exhibition Hall A	Room 3 Building No. 1 2F Exhibition Hall B	Room 4 Building No. 2 2F Meeting Room 2A	Room 5 Building No. 2 3F Meeting Room 3A	Room 6 South Building 1F Portopia Hall	Room 7 Main Building B1F Kairaku 1
8:00	AI translation				AI translation	
8:30-9:30	Educational Lectures 6.7 State of the Art: Videofluoroscopic examination and videoendoscopic evaluation of swallowing	8:30-9:30 Educational Lectures 8.9 State of the Art: Pediatrics and Dementia	8:30-9:30 Oral Session 5 Exercise 2 [05] 1~6	8:30-9:30 Oral Session 10 Nursing 1 [010] 1~6	8:30-10:00 Symposium 4 Optimizing Dysphagia Exercises: Selecting Interventions According to Functional Impairment	8:30-9:40 Oral Session 21 End-of-Life Care 2 [021] 1~7
9:00						
9:40-10:40	Special Educational Lecture Dysphagia diet and Special Diet Surcharge	9:35-10:35 Educational Lectures 10.11 State of the Art: Clinical Ethics and End-of-Life Care	9:35-10:35 Oral Session 6 Exercise 3 [06] 1~5	9:35-10:35 Oral Session 11 Nursing 2 [011] 1~6		9:45-10:45 Oral Session 22 Oral care 2 [022] 1~6
10:00						
10:40-11:40	10:40-11:40 Educational Lectures 12.13 State of the Art: Surgical Treatment	10:40-11:40 Oral Session 7 Clinical research 1 [07] 1~6	10:40-11:40 Oral Session 12 Pediatrics 2 [012] 1~6	10:40-11:40 Oral Session 18 Evaluation 2 [018] 1~6	10:10-11:40 Symposium 5 Physiotherapy and Dysphagia	10:50-11:40 Oral Session 23 Clinical Ethics/ Coaching [023] 1~5
11:00	10:55-11:40 Special Lecture 1 Evolution of Deglutology: A bi-millennial journey from observation to intervention					
12:00	11:50-12:50 Rest Area for lunch	12:00-13:00 Luncheon Seminar 1	11:50-12:50 Rest Area for lunch	12:00-13:00 Luncheon Seminar 2		12:00-13:00 Luncheon Seminar 4
13:00	13:10-13:50 Member's Meeting					
14:00	14:00-14:50 Presidential Lecture Beyond the State of the Art					
15:00	15:00-16:00 Special Lecture 2 Frailty and sarcopenia: Importance of eating and swallowing and the role of rehabilitation	15:00-16:00 Educational Lectures 14.15 State of the Art: Swallowing CT and Manometry	15:00-16:15 Sponsored Symposium Connecting the Experience of "Around-50" Generations: The Past and Future of Dysphagia Rehabilitation	15:00-16:00 Oral Session 13 Clinical research 2 [013] 1~6	15:00-16:00 Oral Session 19 Nutrition 2 [019] 1~6	15:00-16:00 JSDR Cafe Networking over Swallow-Friendly Mochi
16:00						
16:10-17:40	Symposium 2 Coaching for Patient-Centered Care	16:10-17:40 Symposium 3 Changes in Dysphagia Management	16:20-17:10 Oral Session 8 Medications [08] 1~5	16:05-17:05 Oral Session 14 Clinical research 3 [014] 1~6	16:05-16:55 Oral Session 20 Oral frailty [020] 1~5	16:15-17:15 Oral Session 24 Nutrition 3 [024] 1~6
17:00			17:10-18:00 Oral Session 9 Oral care 1 [09] 1~5	17:10-18:00 Oral Session 15 Older adults 1 [015] 1~5	17:00-18:00 Sponsored Seminar Oral management to support eating: Collaborative hospital practice between dentistry and nursing	17:20-18:00 JSDR-Funded Research
18:00						

Sessions highlighted in BLUE: Sessions eligible for AI translation (JP → EN)
Sessions highlighted in GREEN: Sessions eligible for AI translation (EN → JP)
JSDR: JSDR Certified Dysphagia Rehabilitation Practitioner Credit-Eligible Sessions

Kobe Portopia Hotel						Kobe International Exhibition Hall
Room 8 Main Building B1F Kairaku 2	Room 9 Main Building B1F Kairaku 3	Room 10 Main Building B1F Waraku	Room 11 Main Building B1F Kitano, Nunohiki	Room 12 Main Building B1F Ikuta	Hands-on Seminar / Rest Area Main Building B1F Kikusui	Poster Building No. 2 1F Convention Hall South
8:00		AI translation				8:00-9:00
8:30-9:40	8:30-9:40 Oral Session 25 Neuromuscular disease 1 [025] 1~7	8:30-10:10 International Symposium 1 Hosted by WDS Coalition Initiative High-Resolution Pharyngeal Manometry: From Measurement to Clinical Application	8:30-9:10 Overseas Invited Lecture 6 Non-Invasive Monitoring of Respiratory-Swallow Coordination	8:30-9:30 Special English Session		Poster Mounting
9:00	Oral Session 31 Pediatrics 3 [031] 1~7		9:20-10:00 Overseas Invited Lecture 7 Oscillatory Connectivity and Burst Dynamics Underlying Volitional Swallowing			9:00-9:30 Poster Session [P2-A1] ~ [P2-A8]
9:45-10:45	9:45-10:45 Oral Session 26 Neuromuscular disease 2 [026] 1~6			9:35-10:45 English Session 1 Sarcopenia/frailty [ENS1] 1~7		9:30-10:00 Poster Session [P2-B1] ~ [P2-B8]
10:00	Oral Session 32 Case report 1 [032] 1~6	10:15-10:55 Overseas Invited Lecture 4 Silent Aspiration: From Detection to Precision Monitoring	10:15-10:55 Overseas Invited Lecture 8 Challenges to feed the NICU infant: Where is the problem? What are the solutions? Addressing beyond the State of the Art!		10:00-15:00	10:10-10:40 Poster Session [P2-C1] ~ [P2-C8]
10:50-11:40	10:50-11:40 Oral Session 27 Medical-Engineering collaboration [027] 1~5	11:00-11:40 Overseas Invited Lecture 5 From Imaging to Intervention: Current State and Evidence for Ultrasound in Dysphagia Management	11:00-11:40 Overseas Invited Lecture 9 Use of High Resolution Pharyngeal Manometry for the Diagnosis and Treatment of Dysphagia	10:50-11:40 English Session 2 Nutrition [ENS2] 1~5		10:40-11:40 Poster Session [P2-E1] ~ [P2-E4]
12:00			12:00-13:00 Luncheon Seminar 5		Rest Area	
13:00						
14:00						
15:00	15:00-16:00 Oral Session 28 Electrical/magnetic stimulation [028] 1~6	15:00-16:00 Oral Session 34 Case report 3 [034] 1~6	15:00-16:10 Oral Session 37 Airway management 1 [037] 1~7	15:00-15:40 Overseas Invited Lecture 10 Oropharyngeal dysphagia in oesophageal cancer: shifting from awareness to action	15:00-15:50 English Session 3 Pathophysiology [ENS3] 1~5	15:00-16:00 Poster Removal
16:00	16:05-17:05 Oral Session 29 Transdisciplinary collaboration 1 [029] 1~6	16:05-17:05 Oral Session 35 Case report 4 [035] 1~6	16:20-17:30 Oral Session 38 Basic research [038] 1~7	15:50-16:30 Overseas Invited Lecture 11 Optimising Neuromodulation for Neurogenic Dysphagia: Current Insights and Future Directions	15:55-16:55 English Session 4 Clinical research [ENS4] 1~6	
17:00	17:10-18:00 Oral Session 30 Transdisciplinary collaboration 2 [030] 1~5	17:10-18:00 Oral Session 36 Case report 5 [036] 1~5		16:35-17:15 Overseas Invited Lecture 12 Dysphagia in Vocal Cord Immobility: Site-Specific Mechanisms and Management		16:45-17:45 Poster Mounting - Presenters on September 13
18:00				17:20-18:00 Overseas Invited Lecture 13 Sarcopenic Dysphagia: Diagnostic Approaches and Korean Perspectives	Seminar Organized by the Editorial Board of the Japanese Journal of Dysphagia Rehabilitation	
18:30-20:00 Social Reception South Wing 1F, Kobe Portopia Hotel "Banquet hall Ohwada"						

Program Schedule Day 3 September 13 [Sun]

Kobe International Exhibition Hall					Kobe Portopia Hotel	
Room 1 Building No. 2 1F Convention Hall North	Room 2 Building No. 1 2F Exhibition Hall A	Room 3 Building No. 1 2F Exhibition Hall B	Room 4 Building No. 2 2F Meeting Room 2A	Room 5 Building No. 2 3F Meeting Room 3A	Room 6 South Building 1F Portopia Hall	Room 7 Main Building B1F Kairaku 1
7:30	AI translation			AI translation		
8:00	8:00-9:30 JSDR Educational Lectures 18.19.20 State of the Art: Oral Health		8:00-9:00 Networking Event by SLHTs	8:00-9:00 Networking Event by Dietitians		8:00-9:00 Networking Event by Dental Hygienists
9:00		8:30-9:30 Educational Lectures 25.26 State of the Art: Perioperative Care and Tracheostomy Tubes	9:10-10:40 Networking Event by SLHTs	9:10-10:10 Networking Event by Dietitians	8:30-9:30 Oral Session 48 Oral care 3 [048] 1~6	
10:00	9:40-10:40 JSDR Educational Lectures 21.22 State of the Art: Pill dysphagia and Nursing care	9:40-10:40 Educational Lectures 27.28 State of the Art: Community-Based Practice	Symposium 7 The Current State and Challenges of "Online Healthcare" in Dysphagia Treatment	9:10-10:40 International Symposium 2 Hosted by WDS Coalition Initiative Pediatric Feeding and Swallowing Rehabilitation: Practices in Japan and Around the World	9:35-10:35 Oral Session 49 Dentistry and Oral cavity [049] 1~6	9:10-10:10 Oral Session 53 Nutrition 4 [053] 1~6
11:00	10:50-11:50 JSDR Special Lecture 3 Training Interventions for Dysphagia: An Activity Medicine Perspective	10:50-11:50 Educational Lectures 29.30 State of the Art: Neuromuscular Disorders	10:50-11:50 Oral Session 39 Exercise 4 [039] 1~6	10:15-11:05 Oral Session 41 Transdisciplinary collaboration 3 [041] 1~5	10:40-11:50 Oral Session 50 Risk management [050] 1~7	10:15-11:15 Oral Session 54 Nutrition 5 [054] 1~6
12:00	12:00-13:00 Rest Area for lunch			12:10-13:10 Luncheon Seminar 6	12:10-13:10 Luncheon Seminar 7	
13:00						
14:00	13:20-14:20 JSDR Educational Lectures 23.24 State of the Art: Head and Neck Cancer	13:20-14:50 Educational Lectures 31.32.33 State of the Art: Understanding Pathophysiology	13:20-14:50 Symposium 8 Cutting Edge of Pulmonary Rehabilitation	13:20-14:10 Oral Session 43 Transdisciplinary collaboration 5 [043] 1~5	13:20-14:20 Oral Session 46 Exercise 5 [046] 1~6	13:20-14:10 Oral Session 51 Dementia [051] 1~5
15:00				14:10-14:50 Oral Session 44 Transdisciplinary collaboration 6 [044] 1~4	14:20-15:00 Oral Session 47 Airway management 2 [047] 1~4	14:10-15:00 Oral Session 52 Older adults 3 [052] 1~5
16:00	15:00-15:10 Closing Ceremony					
17:00	15:20-17:00 Post-Congress Seminar 1	15:20-16:50 Post-Congress Seminar 2	15:20-16:50 Post-Congress Seminar 3	15:20-16:50 Post-Congress Seminar 4	15:20-16:50 Post-Congress Seminar 5	
18:00
