

Lectures and Sessions in English (JSE2026)

【Oral Presentation】 Other Mitral Valve (Case Reports) ※Partially English

April 24 (Fri) ROOM7 (Conference Room 5, Annex 2F) 8:30-10:00

【Educational Committee Session 2】 Round Table Discussion

April 24 (Fri) ROOM 2 (Conference Room 1&2, Main Building 1F) 12:50-13:50

- Chairs : Robert J Gropler (University of Washington, Editor-in-Chief: Circulation Cardiovascular Imaging, USA)
Nozomi Watanabe (University of Miyazaki, Associate Editor: Circulation Cardiovascular Imaging)
Kazuaki Negishi (NSW, Section Editor (Digital Media Strategies): Circulation Cardiovascular Imaging))
- Panels : Kenya Kusunose (University of the Ryukyus, Circulation Cardiovascular Imaging, Editorial Board Member)
Michikazu Nakai (University of Miyazaki, Statistical Reviewer: Circulation Cardiovascular Imaging)
Kaoru Dohi (Mie University, Editor-in-Chief of JE)
Hidekazu Tanaka (Kobe University, Chairs of Scientific Project Committee of JSE)
- ES2-1 Circulation Cardiovascular Imaging: Message from the EIC
Robert J Gropler (University of Washington, Editor-in-Chief: Circulation Cardiovascular Imaging, USA)
- ES2-2 Questions from the authors 1
Masaru Obokata (Gunma University)
- ES2-3 Questions from the authors 2
Hiroto Utsunomiya (Hiroshima University)

【KSE-JSE Joint Symposium】 Heritage and Horizon: Echoes of the Past, Waves of the Future.

April 24 (Fri) ROOM 2 (Conference Room 1&2, Main Building 1F) 13:55-14:55

- Chairs : Goo-Yeong Cho (Seoul National University Bundang Hospital, Korea)
Yoshihiro Seo (Nagoya City University)
- Commentators : Kaoru Dohi (Mie University)
Naoko Mizukami (Keio University)
- KSE-1 Echocardiographic Drag Effect Index Predicts Response to Mavacamten in Obstructive Hypertrophic Cardiomyopathy
Sang Gon Yoon (Severance Hospital, Yonsei University College of Medicine, Seoul, Korea)
- KSE-2 Mitral Regurgitation Through the Lens of Echocardiography: Tradition, Transition, and Transformation
Dae-Hee Kim (Asan Medical Center, Korea)

- KSE-3 Aortic Valve Disease in Transition From Pressure Gradients to Precision Phenotyping
Sung-Ji Park (Samsung Medical Center, Korea)
- KSE-4 It is time we acknowledge PR, Lesson from cTOF
Sayuri Yamabe (Nagoya City University)
- KSE-5 M.A.C. Morphology, Aging, and Consequences
Nahoko Kato (Tokyo Bay Urayasu Ichikawa Medical Center)

【ASE-JSE Joint Symposium】 International Standardization of Echocardiographic Reports

April 24 (Fri) ROOM 2 (Conference Room 1&2, Main Building 1F) 15:00-16:00

- Chairs : David Wiener (Thomas Jefferson University Hospital, Philadelphia, PA, USA)
Nozomi Watanabe (University of Miyazaki)
- Commentators : Tatsuya Miyoshi (Kindai University)
Chinami Miyazaki (Belland General Hospital)
- ASE-1 Cavitation-facilitated Augmentation of Myocyte Gene Delivery with Adeno-associated Vector-9: A Bioengineering Strategy to Address Clinical Gaps in Cardiac Gene Therapy
Matteo Morello (The University of Virginia in Charlottesville, USA)
- ASE-2 We Speak Clearly and With One Voice: The How and Why of ASE's Guideline for Standardization of Adult Echocardiography Reporting
David Wiener (Thomas Jefferson University Hospital, Philadelphia, PA, USA)
- ASE-3 How should we manage measurement errors of standard (diameter and volume) and advanced parameters (3D and strain)?
Tomoko Machino (University of Tsukuba)
- ASE-4 What body size corrections are appropriate for echocardiographic measurements?
Masao Daimon (Tokyo Women's Medical University)

【Oral Presentation】 Cardiomyopathy 2 (Case Reports) ※Partially English

April 25 (Sat) ROOM6 (Conference Room 6, Annex 2F) 10:25-11:20

【Special Scientific Lecture 1】

April 25 (Sat) ROOM 1 (Noh Theatre, Main Building 1F) 10:45-11:20

- Chair : Masashi Amano (National Cerebral and Cardiovascular Center)
- SSL1 Valvular Heart Disease (tentative)
Raphael Rosenhek (Medical University of Vienna, Austria)

【EACVI-JSE Joint Symposium】 Valvular heart disease and echocardiography Update 2026

April 25 (Sat) ROOM 2 (Conference Room 1&2, Main Building 1F) 11:30-12:30

Chairs : Nina Ajmone Marsan (Leiden University Medical Center, Leiden, the NL / Vice-president, The Netherlands)
Yasushi Sakata (The University of Osaka)

Commentators : Hikaru Tsuruta (Keio University)
Akihiro Isotani (Kokura Kinen Hospital)

EACVI-1 Myocardial fibroblast activation in aortic stenosis: progression and response to intervention
Neil Craig (University of Edinburgh, College of Medicine and Veterinary Medicine, Edinburgh, UK)

EACVI-2 Advanced echocardiography in mitral valve prolapse: new insights in diagnosis and treatment
Nina Ajmone Marsan (Leiden University Medical Center, Leiden, the Netherlands, Vice-president, The Netherlands)

EACVI-3 (TBA)
Nobuyuki Kagiya (Juntendo University)

EACVI-4 (TBA)
Atsushi Okada (National Cerebral and Cardiovascular Center)

【Oral Presentation】 Pericardial Disease (Case Reports) ※Partially English

April 25 (Sat) ROOM5 (Conference Room 4, Main Building 2F) 15:50-17:20
