

The 69th Annual Meeting of the Japan Society of
Human Genetics (JSHG2024)

Sponsorship Prospectus

Period: October 9 (Wed)- 12 (Sat), 2024

Venue: Grand Mercure Sapporo Odori Park

North 1 West 12, Chuo-ku, Sapporo 060-0001, Japan

Welcome Message

Dear Colleagues and friends,

I am honored to invite you to the 69th Annual Meeting of the Japan Society of Human Genetics (JSHG) that will take place at the Grand Mercure Sapporo Odori Park, Sapporo, Hokkaido, from 9 (Wed) to 12 (Sat) October 2024. Professor Yoshio Makita of the Department of Genetic Counselling, Asahikawa Medical University Hospital, and Professor Takahiro Yamada of the Division of Clinical Genetics, Hokkaido University Hospital serve as Vice-Presidents.

Last year's congress, Human Genetics Asia 2023, was a great success, welcoming many international participants. This year's meeting will also be the good opportunity to share the latest scientific and technological information as well as expand and strengthen international relationship scientifically and personally. The committee made up of leading experts in human genetics is now planning an attractive scientific program including invited lectures, symposia, workshops, and educational sessions. To make participants from overseas more enjoyable, all abstracts and posters will be in English, and substantial portion of oral sessions will also be presented in English.

It is the first time in 28 years that the JSHG annual meeting is held in Hokkaido. October in Hokkaido is a wonderful time to experience and enjoy pleasant climate, beautiful scenery and lots of delicious foods. The 69th Annual Meeting of JSHG is the unique scientific opportunity you do not want to miss.

In order to enhance the meeting and ensure tremendous results, I would very much appreciate your valuable support—together with support from all other sectors and fields. I therefore hope that you endorse the purposes of this meeting and earnestly request that you consider participating.

In closing, I would like to express my sincere wishes for your company's continued growth and prosperity.

Best regards,

Akihiro Sakurai, M.D., Ph.D.

President of the 69th Annual Meeting of the Japan Society of Human Genetics

I . General Information

1. Meeting
