

【On-demand】		
Web		
On-demand Lecture Closing the educational loop: the development of a model to ensure transfer of learning to clinical practice and patient benefit.	On-demand Symposium 1 Medical Education DX -A New Approach to Learning and Growth-	On-demand Symposium 2 The Future of Medical Education with Digital Tools and Generative AI From Medical Charting to Simulation-Based Learning
On-demand Symposium 3 Significance and Role of Humanities and Social Sciences in Medical School Education in Japan	On-demand Symposium 4 How to teach community health	On-demand Symposium 5 The effects of non-cognitive ability development and team bulding in overseas medical activities
On-demand Symposium 6 Considering CME to continuously enhance the quality of individuals, teams, and organizations in the era of 100-year lifespans for physicians and healthcare professionals.	On-demand Symposium 7 The importance of learning medical history. Enhancing various competencies in the model core curriculum for medical education	On-demand Symposium 8 Standardizing Undergraduate Education in General and Family Medicine from the Perspective of Young Physicians
On-demand Symposium 9 Visualizing learning signals/Engineering analysis of non-verbal information and its application to education and issues	On-demand Symposium 10 Connecting activists in DEI within the field of medicine	On-demand Symposium 11 Disaster medical education for resilient responses
On-demand Symposium 12 Decision to Open the Future of Digital Materials for Medical Education	On-demand Symposium 13 What should be done for Integrated Education	On-demand Symposium 14 What brings you to enter Grad school
On-demand Symposium 15 Inclusion of medical students and medical education of inclusion	On-demand Symposium 16 Cross-disciplinary collaboration and future prospects in XR simulation education practice	On-demand Symposium 17 Triad of medical education, general medicine, and social medicine- human resource development and research
On-demand Symposium 18 Medical education in the digital twin age.	On-demand Symposium 19 The Current State of Healthcare Professional Education Using Escape Room Games-Challenges and Future Prospects Based on Case Studies	On-demand Symposium 20 Thesis Guidance in the Age of Generative Artificial Intelligence - Required AI Literacy for Faculty
On-demand Symposium 21 A new approach for medical safety educational method of Non-Technical Skills	On-demand Symposium 22 Anti-oppressive practices beyond empathy	

July 24 (Thu)						
Akita City Cultural and Creative Center				Nigiwai Koryukan AU		
Room 5	Room 6	Workshop Room 1	Workshop Room 2	Room 7	Room 8	Room 9
2F Studio A1	2F Studio B	1F Community Space	2F Studio A2	2F Exhibition Hall	3F Multipurpose Hall	4F Study room 1・2
						Board of Directors (12:30-14:30)
					Board of Delegates (14:40-16:40)	
17:00						
18:00	Workshop 1 (17:00-18:30) Educating Non-Cognitive Skills to Learners with Developmental Disorders -Reflecting on Empathy Through Case Studies-	Workshop 2 (17:00-18:30) Connect before Correct - Introducing NVC to Healthcare Professionals	Workshop 3 (17:00-18:30) Evidence-based education for career success	Workshop 4 (17:00-18:30) What's behind the lack of motivation among healthcare students in the upcoming full university enrollment era.	Workshop 5 (17:00-18:30) Challenges of the Japanese Society for Medical Education Program/Shaping Health Professional Education for the Next Generation	International Workshop 1 (SimTiki Hawaii, Debriefing session) (17:00-18:30) Enhancing Debriefing Skills: An Advanced Workshop for Simulation Educators with Meta-Debriefing
19:00						
Welcome Reception 【Akita Castle Hotel 4F Hoko banquet hall】 (19:00-)						

July 25 (Fri)						
Akita Arts Theatre Milhas				Akita City Cultural and Creative Center		
Room 1	Room 2	Room 3	Room 4	Room 5	Room 6	
2F Main Hall	2F Theatre	4F Small Hall A	B1F Small Hall B	2F Studio A1	2F Studio B	
9:00	Opening Ceremony (8:55-9:00)					
Invited Lecture 1 (9:00-9:45) A teaching approach to thrive in complex and uncertain health care systems	Symposium 1 (9:00-10:30) Report on the utilization status of generative AI in hospitals and faculties	Symposium 2 (9:00-10:30) EPOC Update	Symposium 3 (9:00-10:30) To maximize the contribution of psychiatry to medical education	Oral Session 1 (9:00-9:40) Mentoring and Career Support (1)	Oral Session 3 (9:00-9:40) Learner Assessment (1)	
10:00	Invited Lecture 2 (9:45-10:30) The foundation of sound medical practice and education lies in precise language : A critique of medical jargon			Oral Session 2 (9:45-10:30) Mentoring and Career Support (2)	Oral Session 4 (9:45-10:30) Learner Assessment (2)	
11:00	Exchange Symposium of Health Professions Educators in Asia-Pacific regions (10:50-12:20) Prospects of Digital Simulation-Based Education -Understanding Global Trends	JSME57 Special Event 1 (10:50-12:20) Community based medical education in the post-COVID era: From training sustainable medical personnel to co-creation	Symposium 4 (10:50-12:20) New Perspectives from Public Health and the Model Core Curriculum for Medical Education -Present and Future Perspectives	Symposium 5 (10:50-11:50) Why Medical Humanities are essential	Oral Session 5 (10:50-11:30) ICT and Artificial Intelligence (1)	Oral Session 7 (10:50-11:30) Learner Assessment (3)
12:00				Oral Session 6 (11:35-12:20) ICT and Artificial Intelligence (2)	Oral Session 8 (11:35-12:20) Learner Assessment (4)	
13:00		Luncheon Seminar 1 (12:40-13:30)	Luncheon Seminar 2 (12:40-13:30)	Luncheon Seminar 3 (12:40-13:30)	Luncheon Seminar 4 (12:40-13:30)	
14:00	Presidential Lecture (Opening Ceremony) (14:00-16:00) Clinical Medicine and Medical Education in Akita - Raising Doctors to Whom We Can Entrust Our Future - Executive Committee Chairman Lecture (Opening Ceremony) Towards a New Stage of Digital Education Pioneering the Next Generation of Medicine and Healthcare -- For Thoughtful and Ideal Team Building -- Declaration from Akita 2025 JSME Presidential Lecture (Opening Ceremony) The Present and Future of the Japan Society for Medical Education Invited lecture 3 (AMEE-JSME Collaborative Session) (15:25-15:50) Transforming Medical Education : Five Global Trends that could shape the Next Generation of Health Professionals					
15:00						
16:00						
17:00						
Japan, Korea and Taiwan Joint Symposium (16:30-17:30) Digitalization of Medical Education - Sharing the Current Situation in East Asia	JSME57 Special Event 2 (16:30-18:00) Learning from Mayo Clinic and Domestic Cases: Educational Practices for Thoughtful Care of Diverse and Difficult Patients	Symposium 6 (16:30-18:00) Home Healthcare as a Competency, Home Healthcare Education as an Academic Discipline	Oral Session 9 (16:30-17:10) Faculty Development and Patient Safety (1)	Oral Session 11 (16:30-17:10) Professionalism (1)	Oral Session 13 (16:30-17:10) Teamwork and Interprofessional Collaboration (1)	
			Oral Session 10 (17:15-18:00) Faculty Development and Patient Safety (2)	Oral Session 12 (17:20-18:00) Professionalism (2)	Oral Session 14 (17:15-18:00) Teamwork and Interprofessional Collaboration (2)	
18:00						
19:00						

July 25 (Fri)						
Akita City Cultural and Creative Center		Nigiwai Koryukan AU			Akita Castle Hotel	Akita Arts Theatre Miihas
Workshop Room 1	Workshop Room 2	Room 7	Room 8	Room 9	Luncheon 1	Poster
1F Community Space	2F Studio A2	2F Exhibition Hall	3F Multipurpose Hall	4F Study room 1・2	North Bldg 4F Yadome banquet hall A	3F Foyer
Workshop 6 (9:00-10:30) Improve your simulated patient feedback skills. Deepen your understanding of feedback and experience practical training.	Workshop 7 (9:00-10:30) Workplaces and work styles of doctors with disabilities -Observations from a physician who uses a wheelchair	Workshop 8 (9:00-10:30) Develop your skills in writing and evaluating an informative articles in hearth professions education as a researcher and a reviewer	International Workshop 2 (SimTiki Hawaii, Active Learning session) (9:00-10:30) Active Learning Techniques for Simulation and Clinical teaching	Workshop 9 (9:00-10:30) Workshop for beginners of medical education -All for Novice Medical educator All Together-		e-Poster Session (9:00-10:30) 1 Learner Assessment (1) 2 Patient Safety and Internationalization 3 Professionalism and Ethics
Workshop 10 (10:50-12:20) Cultivating Well-being Through Dialogue -Supporting Ourselves and Our Learners as Healthcare Educators-	Workshop 11 (10:50-12:20) Simulation Training in Kampol Medical Examination Methods	Workshop 12 (10:50-12:20) Developing a patient safety competency framework in Japan - educators' perspective	Workshop 13 (10:50-12:20) Aiming to Present at AMEE Workshop for Japan-based Medical Educators	Workshop 14 (10:50-12:20) Team building for learning enabled by co-creation		e-Poster Session (10:50-12:20) 4 Learning, Research, and Others 5 Faculty Development 6 Learner Assessment (2)
		Luncheon Seminar 5 (12:40-13:30)	Luncheon Seminar 6 (12:40-13:30)	Luncheon Seminar 7 (12:40-13:30)	Luncheon Seminar 8 (12:40-13:30)	
Workshop 15 (16:30-18:00) Starting point. Deepen your Self-Directed Learning	Workshop 16 (16:30-18:00) An attempt at medical education that takes into consideration the shame of the learner -capturing emotions from somatic sensation-	Workshop 17 (16:30-18:00) Lifelong Career History Act Facilitation Event	Workshop 18 (16:30-18:00) A New Stage in Medical Education Fostering the Professional Identity of Learners	Workshop 19 (16:30-18:00) Seventh meeting of the community for institutional research in healthcare professional education - Applying qualitative data to IR		e-Poster Session (16:30-18:00) 7 Community Medicine (1) 8 Community Medicine (2) 9 Mentoring and Learner Support
Networking Reception 【Akita Castle Hotel 4F Hoko banquet hall】 (19:00-)						

July 26 (Sat)
