Requests when submitting data

Various manuals and submission data templates here

Click

① Please submit your application in PDF format.

- When submitting PowerPoint data, there is a possibility that characters may be misaligned or errors may occur.

② Printing is available at a size of 900mm high x 1,800mm wide.

- The conference management office will post the Abstract ID, affiliation, author name, and title on the board in advance.
- As a general rule, editing and proofreading will not be performed.
- We will enlarge and print the data you provided to 900mm x 1,800mm.
- The long side is finished at 1,800mm in consideration of visibility for the 900mm x 2,100mm bulletin board size.
- 5mm margins are automatically adjusted on each of the four sides of the rectangle.

③ Please write "presentation number_name" as the file name.

- We kindly ask for your cooperation in preventing the mixing of customer data and checking the layout location during posting work.
- If the "presentation number" is not listed, you will not be able to post the presentation. Please understand that this is a required item.
