

Join the Global Community Advancing Orthopaedic Sports Medicine

Join **4,000+**
orthopaedic
surgeons

across **100+**
countries, united by
one shared purpose:

Advancing education, research, and patient care
in arthroscopy, knee surgery, and orthopaedic sports
medicine.

ISAKOS is built on collaboration, lifelong learning, and
meaningful professional relationships — all in service of
better outcomes for patients everywhere.

As a member, you join a worldwide community of peers
shaping the future of orthopaedic sports medicine
together.

ISAKOS

International Society of Arthroscopy,
Knee Surgery and Orthopaedic Sports Medicine

Grow your impact.

Expand your network.

Lead the future.
