

Information for participants

Applications will not be accepted at the venue during the conference. Please complete your application online in advance, and then bring the QR code for your registration (printed or displayed on the screen of your smartphone, etc.) that you will receive after applying, and come to the reception desk during the following hours. When you hold the QR code up to the ticket machine, a name card will be issued. Please be sure to wear your name card in the venue.

【How to display QR code】

Please log in to ‘**Confirm Registration information**’ (Below)

<https://www.jspc.gr.jp/convention/overseas/login/60>

Please use the relevant QR code at the reception desk below. The QR codes for the academic meeting, refresher course and Social gathering are all different.

<Regarding on-demand distribution>

We will be providing on-demand streaming of some of the sessions at this academic conference. Details of the sessions to be streamed, etc., will be announced on the website at a later date. Streaming period: Monday August 3rd 12:00 to Monday August 31st 2026, 23:59

<JJSPC Program Issue / Abstracts>

●JJSPC Program Issue

- This program issue can be viewed on this website (program page).

(Scheduled for release around early June)

- During the meeting period, the program booklet will be available for purchase at ¥3,000 per copy. Please note that quantities are limited.

●Abstracts Book

- An abstract book will not be published.
- Abstracts can be viewed on this website (Program page). (Scheduled for release in late June)
- A password is required to view the abstracts. The password is provided in the Program issue.

<Presentation and Awarding of Outstanding Presentations>

From among the abstracts submitted for general presentations, we will organize a ‘Session for Selecting Outstanding Abstracts’.

Among the abstracts selected in the ‘Session for Selecting Outstanding Abstracts’, the most outstanding abstract, as evaluated and recommended by the chair of each session, will be awarded as an outstanding abstract.

<Notes>

Taking photographs or videos of the abstracts and presentations, recording or filming them, and reprinting them on other websites or SNS without permission is prohibited from the perspective of protecting the copyright of the presenters and the privacy of the subjects.

If we discover any unauthorized reprinting, etc., we will take legal action.

Please be aware that even if you are using it for your own personal study, it may be illegal depending on the interpretation of the law.
